FOR SHAME! - Most of our readers are aware that for several years past the evere winters have been the occasion of a the birds and particularly in the partridge ranch of the family. Indeed so severe have been the ravages upon this portion most tender and fostering care of the few pecimens yet to be found in our fields, an this splendid game bird be kept from becoming entirely extinct in our midst Taking this view of the case, our sportsmen with most praiseworthy forbearance have entirely refrained for years past from hunting these birds and are affording every facility for their rapid propagation These remarks are induced by information we have received that a party of genomen from aborad, acting upon an invitation from some of the sporting proclivities in our midst, were a few days ago scouring the country in quest of this choice game. Although the season is now at hand for indulgence in this sport, we appeal to its lovers to abstain from it. game shall have been multiplied to such an extent as to warrant it. MARRIED. This Company, National in its character, offers, by reason of its Large Capital, Low Nates of Premium and New Tables, the most desludie means of insuring life yet presented to the public. The rates of premium beig la., ely reduced, are made as favorable to the insurers as those of the best. Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders.

Several new and attractive tables are nowpresented when need only to be understood to prove acceptable to the public, such as the NNCME PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an annual income qualita least the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The attention of pensons contemplating insuring their lives or in reasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company.
