The guns were old, and the volley did not take effect.

escaped in different directions, but prisoners entered the court astonishe Daniel Mara, the third brother, lost and alarmed at the sudden summons his presence of mind, and rap, for the only sound was the clink of the shelter into the house of a poor widow. He was hotly pursued One murderer soldier's brass bound muskets on the got in after him through a small window, the seven others, burst open the door, and savagely put him to cruel The face of Walsh was wrung with death. This crime caused a greater the intensest anxiety, and some wo-sensation than even the death of Chad-men among the spectators exclaimed : wick, and struck a deep terror through "Oh Kate I"—a passionate adjuration the length and breadth of Ireland that seemed to thrill her to the heart. The government instantly offered a It was not Walsh or Lacy that she reward of two thousand pounds for cared for, but her own kinsmen, who the assassins; but of the hundreds of accomplices, none would betray the be tried. She herself had been ght murderers.

Abugst, through the personal exerciosed the truth. If she did disclose tions on the spot of Mr. Doherty, the it her life was also in peril. Terrible solicitor-general, a highway robber alternative At last she advanced tonamed Fitzgerald, who was east for wards the dock raised the trembling death in the Clondel jail, offered to rod a second time, and laid it on the furnish evidence to government if his head of Walsh. To him it was the own life was saved. Two men named touch of death, and he showed that file; eight faces and eight voices she the Clonomel dock. "He was evident-patrick Lacy and John Walsh, were he felt he was lost." As she sank back recognized. One of the eight carried ly," he says "most anxious for the Patrick Lacy and John Walsh, were he felt he was lost. As she sank back at once arrested, and on the 31st of in her chair, and dropped the rod, a March, 1828, tried at the Cloumed deep marmur of horror and pity ran assizes for the murder of Daniel through the crowd, mingled with

curses and stiffed execrations from those in the background.
Walsh, who, while there was hope, Walsh, who, while there was hope, had been convulsed with agitation, now became calm and composed as his landlord came forward and gave him a high character for integrity and a fire leaped out of the roof, ran over lid as that he had kindled in the habinumber of policemen, whose dark him a high character for integrity and green uniforms, high shakos, and keen good conduct. Both prisoners were at

glittering bayonets contrasted with the once found guitt. agged gray friese coats and cudgels Kate's relations, Patrick and John of the country people. The governor of the jail stood on the witness-table, Keogh, were tried a few days after the execution of Lacy and Walsh It was rumored that John had been conspicuous with his ponderous keys. Mr. Justice Moor, in his red robes Kate's lover, and that, though he had ned with black, looked grave as deserted her, she would not take his monies. Till half a century beföre, Rhadamanthus; and beside him sat life away or betray "her people" The the Irish Bar, when on circuit, travel-the Farl of Kinston, whose dark and Keoghs had been the chief planners ed on herseback. The crown prose-cutar, rejoiced in a good jailful; the hair made him as conspicuous as the whom they had been intimate. They leading chiefs, their suddle-bags judgo himself.

Were dressed like respectable farmers, brimining with record brief: the gay and sanguine juniors, reckless and dence of a mere "stag" or informer, coat and white waistcoat, and a knotand sanguine juniors, reckless and dence of a mere "stag" or informer, coat and white waistcoat, and a knot-light-hearted, came riding into the always regarded by juries with suspic-ted blue silk handkerchief round his own the day before the assizes, in as ion, remain firm and composed Lacy neck; he was short and athletic, and close order as a regiment of cavalry, was a tall handsome young man, with had a determined expression of face.

a good color and a calm clear eye. He John, the elder, was a man of towering hostlers in front of their saddles, over-coats strapped in tight rolls behind, was dressed with extreme care, his stature and broad shoulders." He was mounted servants following with sad-die-bags full of black gowns and law-books, barefooted sutlers tramping be-man; was a sturdy, square-built fellow, intelligent. The old gray-headed with firm and rather a fierce look. The father of these prisoners sat on the prisoners seemed to entertain little apprehension till Mr. Doherty suddenly blanching, as the fate of the men became more and more certain, but for the whole sixteen hours of the trial rose, turned to the - dock; shook his This woman was the witness on he never uttered a word. This time picture squeness of the old entry had whose reluctant evidence the whole Kate Costello's manner was entirely whose relative the prosecution turned. The changed, she had taken the first step, and now she did not falter. She kept 1828 was that of the assassins of Daniel Mara, a man who had been condemned to death by the secret societies that were then, and still are, was formed, and the ambuscade laid; vigilance. She exhibited no comthe curse of Irchard, for having brought to justice the murder of a land-agent the murder was adjourned for another named Chadwick. The details of this week. On Sunday, the 30th of Septensial consumed by the sunday, the 30th of Septensial consumed by the sunday, the 30th of Septensial consumed by the sunday of the sunday o

the bar, in the hope of saving his sons, lads of fifteen or sixteen. "Let them," I kelley was among them and no doubt man himself offered to give up the distance like, but do let them spare the was a fearful one, even to those inno-The first witness that leaped on the boys." These assizes lasted three weeks, cent of the crime. Of the roof only that the sloud soon have ground the charge all the cases being counceted the charge arters were left; the walls enough," and plunged their bayonets their bayonets the charge arters were left; the walls enough," and plunged their bayonets

The crime dated back to the year 1821. Poor Catherine Mullaly's fate was Tipperary people at that time were In November of that year a respectable the most horrible and most touching of farmer named Patrick Shea, who had all. In the midst of all the flame she own hands. If a man received a

round the scaffold. To the surprise and disappointment of the peasantry, though showing no fear their martyr, though showing no fear death with wastling paramour of Kelly's wife, their martyr, though showing no fear death, expressed himself contrite, implored the spectators to take warre-closed, her long black hair was disnature to the stable. Her hands retired to a recess in the house, (problem) they worked for the Sheas. This nominated in Ireland; the screaming in the cars, says the Boston Traveler, opinion gained ground among persons to take warre-closed, her long black hair was disnature to the surprise door of the witness-room opinied, and of bid diaracters of both sexes. Maher, they said, have ever destroyed so male of they said

"Hogan will feel it the more beause he is so tender." He was a prosperous farmer, with a young wife and beautiful children. It was even proved that he had generously stayed his hand to save the life of m antagonishin the very hottest fury of the com ati But there was no res pite for him. He was transported in spite of every effort of his friends. Unhappy lawlessness of an unhappy age l

SPANISH BEAUTY. I had heard very much of the beauty of Spanish women, but indeed the balfa good and honest man prevailed upon of the truth was not and cannot be told. Some times, heretofore, when standing Mary Kelly confident of the safety of tain Despard, a justice of the peace half entranced before the pictures of But, nevertheless, the for the county of Tipperary.

But, nevertheless, the for the county of Tipperary.

It was not till 1827 that William his ideal of inspiration; but his Madhis ideal of inspir Gorman was apprehended and put onnas and Magdalenes only walk the upon his trial There is no doubt streets of Madrid and other cities of that Shear, that day after mass, talking that Shear, the middleman, had been that day after mass, talking and opposition to Gorman his distribution of the could and other cities of Spain. He had but to pain the portrain that day after mass, talking that Shear, the middleman, had been that day after mass, talking the same and opposition to Gorman his latter than the portrain that the portrain that day after mass, talking the same and opposition to th under breath.

Mary knew that "a word would have been as much as her life was worth," so she did not speak of it even lord. Gorman had been destrained. ravishing beauty. The features, the form, the movement, the expression, are to her husband; but on Monday night, when he was asleep, stole out of bed, slipped on his coat, and made her way cautiously and slowly under the loose en out, a disgraced beggar, to broad it be that such sammer evening twistone walls and hedges to the vicinity over vengeance.

She stopped, for of Maher's house. She stopped, for she could hear voices. At length the son of the celebrated Curran) who was she could hear voices. At length the son of the celebrated Curran) who was son? That vice, treachery, and f disconnections at the remarkable tital has present at this remarkable trial, has hood lurk under that angelic exterior left a terrible picture of Gorman's appearance and manner as he stood at the Louvre of Paris, and the statue of the University of Paris, and the statue of the Clonomel dock. "He was evident- the Venns de Medicis, in the Tribune, recognized. One of the eight carried ty, ne says most auxious to the two long lighted sods of turf which he kept alive by his breath. They did not see her, and passed on Tremb his ghastly features occasionally gave and day; the former strong, sensuous, way to the exulting consciousness of affectional, and faithful friend, the conhis revenge. As he heard the narration of his delinquincies so far from exhibiting contrition or remorse, a liant, impulsive. The first typiffs the English woman, the last the French A combination of the two constitutes the perfection of womanhood, as found the result of many generations of the finest culture. The climate, the scene ry, the romance, the chivalry, the grand and stirring scenes of Spanish history, when the groans of his victims were described, his white teeth, which were have perfectly matured and developed flows in her veins, tinto a being finer gums, and though he had drained the than a poet or painter ever conclived. Those brilliant, dark eyes and raven seemed to smack his 'lips and to lick har, coral lips, nearly teeth, the delt-the blood with which his injuries had cate complexion, the shading and penciling of her eyelashes and brow, the Immediately after the conviction shapely features, the expression of arand execution of this monster, a large fection and warmth, the repose and meeting of Roman Catholics was held dignity blended in her expression, the at Clompel, to express horror at his grace of manner, are indescribable crime, and to consider some means of Her flowing black dress, mantilla, veil the monsters discharged their guis in fiendish jubilee.

A friend of the Sheas named Phillip Hill, who lived on the opposite side of the hill adjoining the house, heard the guns echoing in Slievenmawn, and arousing his friends, made across, if possible, to save the Sheas, These men arrived too late; nor did they deep a string his friends, when the guns echoing in Slievenmawn, and arousing his friends, made across, if possible, to save the Sheas, These effort should not be made by every in the progress of villainy which is roll-less of its heing anything improper, any more than if it had been addressed. work of art. If she be artful she pa-

sesses the higher art of concealing it.

Extravagance in Men-There are lots of young men with whom spending money is a positive John Hill, a boy who had a brother in the Sheas' house, had accompanied been the threes with which she beauth forth her unfarture off-thring. There is a sort of fattal profusion, in very unfairly of being over-extravacipally due to those who fritter away everything they gain or sell in numberless and nam-less trifles. A woman has a natural title to being well cladto being, indeed, clad so as to make the most of her appearance, a sense for Jewelry To deny her man nature and the God who made ornaments is to softe a genuine and them; they were bound together, they were sworn in the name of their Oreaparts with a coasi lerable portion of his income to comply with every freak or, and they invoke Heaven to sanctify a deed which they confederated to of his tailor, and who really seems only to have used his brains upon the At these same assizes, which seemed to epitomise almost all the crimes and miseries of poor Ireland, there were tleman ought to be correctly wo other cases which after so many neatly dressed. There is something years are often referred to in Tipperary
The first of these trials was that of a revolting, as well as startling in the style in which the infortunate Lyndon and of men who entered the house of cad turns out to air himself on the tops a farmer named Barry, and killed him of omnibusses and on the bonny steamboats on Sunday. Still, the extrem s meet. The cad is not in all probabiliin his own miserable way. He has given more than he can afford for his pin, his embroidered shirt front, and all the rest of his vile paraphernalia. -London Review.

IF THAT'S ALL BUY IT -Close to the lands of the Center Oil Comount there lives an old chap who is worth a musical tutor, with all of which he started for the 'region.' The doctiments were, of course, soon arranged and toiled like a Trojan, but with no success. Despairing of ultimate triumph the tutor went to the oil king, A and made a clean breast of it.

"Why what the world's the matter?" 'Well,' answered the futor, 'Kitty has got a piano and guitar, and harp, and music, and books, all that but she want's is capacity—that's all.' Well, by the Lord Harry,' cried the oil king, 'if that's all, just buy it.' 'I've got the stuff, and if money will

get it she shall have capacity or anything else.
