MISCELLANEOUS.

ONE OF THE BEST INVESTMENTS. THE THE

FIRST MORTGAGE BONDS

OF THE UNION PACIFIC Railroad Company. 850 MILES COMPLETED.

A limited amount of First Mortgage Bonds of the omer racine mairoad Company are offered to the public, as one of the safest and most positiable investments.

1. They are a first morigage upon the longest and most important railroad in the country.

2. By law they can be issued to the Company only as the road is completed, so that they always represent a real value.

3. The amount is limited by act of Congress trifty, Million Bollars on the entire Pacific line, or an average of less than \$30,000 per mile.

4. Hon E. D. Morgan, of the United States Senate, and Hon. Oakes Ames, of the United States House of Representatives, are the trustees for the the bondholders, to see that, all their interests are protected.

5. Fire Government Directors, appointed by the President of the United States are reprotected.

6. Three United States, are responsible to the country for the management of its affairs

6. Three United State (Somnissioners must cortify that the road is we'll built and equipped, and nall respects a first-class railway, before any bonds can be issued upon it.

7. The United State's Government lends the Com-

Land (slate and bottom) 16 c. 25 Acres in Timber, in Timber, which is takes a second may be offered. It is not the soundary issues, for which it takes a second may be offered. It is not the soundary issues, for which it takes a second may be offered. It is not the soundary issues, for which it takes a second may be offered.

8. As additional sid, it makes an absolute donation of 12,860 acres of land to the mile, lying upon cach side of the road.

9. The bonds pay six por cent. in gold, and the principal is also payable in gold.

10. The earning from the local or way business were over bous Million's Dollans Inst years, which, after paying operating expenses, was much more than stillelent to pay the interest. These earnings will be wastly increased on the completion of the road.

11. No political action can reduce the rate of interest. It must remain tor thirty years—fix percent per continue and had now equal to between eight and nine per cent. in curvatey. The principal is then payable in gold. It is not interest. It must remain to thirty years—fix percent per cammin in gold, now equal to be between eight and nine per cent. in curvatey. The principal is then payable in gold. It is not interest. It must remain to thirty years—fix percent per cammin in gold, now equal to be been seen to the profit of the propers of the propers of the profit of the profit of the payable in gold. It is not interest been half a million a day, and nearly twenty millions have already been sold. About the million wore may be offered. This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public. The rates of premium, being he rely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holdors.

Beyoral new and structure. understandings which the latter are so apt to eause the Policy-Holdors.
Several new and attractive tables are now presented which need only to be understood to prove sceptable to the public, such as the INCOME-PRODUCING POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an annual income equal-to ten per cent (10 per cent.) of the par of his policy. In the latter the Company agrees to return to the assured the total amount of more he has paid in, in addition to the amount of his policy. The attention of persons contemplating insuring their lives or in-resuling the amount of the special advantages offered by the National Life Ingurance Company.

vantages offered by the National Life Ingurance Company.
