L. C. Fahnestock, N. Y. rry contains all the modern improvements "And to being 50 feet in front, and 240 in depth with Stable and Carriage House on the alley in the rearthe buildings are all in own and in good condition, and the location is a most desirable one for business. Enquire of A. L. SPONSLER. The Greatest Stove for 1868. principal is also payable in gold.

10. The sarsings from the local or way business were over Four Million, Dollans, last years, which, after paying operating expenses, was much more than sufficient to pay the interest. These carnings will be vasily increased on the completion of the entire illus in 1869.

11. No policial stone can reduce the pate of increase in the product of the entire illus in 1869.

12. No policial stone can reduce the pate of increase for annum in gold, now equal to between eight and nine per cent. In currency. The principal is then payable in gold. If a bond, with such guarantees, were issued by the Government, its market price would not be less than from 20 to 25 per cent. Premium. As those bonds are issued under Government authority and supervision, upon what is very largely a Government prices. No other corporate bonds are insed secure.

12. The issue will soon be exhausted. The sales have sonothines been half a million aday, and nearly twenty millions have already been gold. About ton millions more amy be offered attant, all the remainder of the boards are made of the company can issue will be taken in from the market, except at a large advance. The long time, the high gold interest, and the pirefect securitity, must make those bonds very valuable for export.

All the predictions which the offeers of this Company have made in relation to the progress and business'success of their enterprise, or the value and advance in the price of their securities, have been more than confirmed, and they therefore suggest that parties who desire to invest in their ond would find it to their adjantage to do so at once.

Subscriptions will be received in Carlisle by Figured, OFFICERS. : TWO REALE.

S. A. H. all of which have given great satisfaction to the This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storchouses of nature, and selected with the ulmost care. It is not recommended as a Gurk Alt, but by its direct and salutary influence upon the Heart, Liver Kidneys, Lungs, Stomach and Bowols, it acts both as a proventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same benefulal results. It is a cretain prompt and speedy remedy for DYRHEFIA. LOWNESS BOY STRITE, PARN THOS, SICKHEAD-ACHE, Ac. For CHILINGENESS, SICKHEAD-ACHE, Ac. For CHILINGENESS, ICCKHEAD-ACHE, and the same beneful algoster of food, and will counteract the offices of liquor in a, few minutes. · ----From 40cts, and upwards. TEW INVENTION IN GRAIN DRILLS.—The subscriber, having procured a patent for a novel and most excellent improvement in Grain Drills by which the grain instead of being planted in 44 inch rows as in the old nathod is scatered ever a surface of three inches, thus seeming an equal and even destribution of the seed, and a considerably greater yield of grain. This improvement can be readily attached to any of the drills now, in use, State and County Rights for sale, agents wanted. This is an excellent opportunity for active, oner gotto young ment to make large salaries.
