could hardly tell his story; but it came out at last, and was bad enough when a return of Edward's mone it came. "I have been spending the night at different faro tables, and have night at different fare tables, and have lost about three hundred fifty dol-lars. "Whose money was it { "Whose money was it ? "It belongs to my employer. I must go to the office this morning and ac-count for it. What *shell* 1 do?" I found on questioning him, that he had been gambling for two'or three months. He had begun by learning to play cards of a fellow clerk; play-ing at first merely for the pleasure y for the pleasure y for the shell out freely for last night's was necessary to give interest to the "Whose money was it ! was necessary to give interest to the Clark looked up from his desk, saw game." In short, he had gone the me behind Dufour, and in a sudden ac was necessary to give interest to the game." In short, he had gone the road which thousands have trod he-fore him. From "innocent card play-ing to betting at whist, and from the a moment more, I saw him scaling was sorry, too. as I looked into that fair young face, now agonized with fear and shame—sorry for him, and still more sorry for the proud father and fond mother, who must soon know ing to betting at whist, and from the a moment more, I saw him scaling whist-table to the faro-bank. Of course the fence of the back-yard. Dufour a moment more, I saw him scaling "Tell your young friend to never enter this place or any of the sort shals of the Army of the Potomac, orgin" ed it over. "What shall I do?" It was plan again." "What shall I do?" It was plan again." "And let me tell you," I replied, "that the first thing to be done was to get the money back, if possible. I dressed rapidly, went to the house of a legal friend, and woke him up. His advice was soon given. "Don't try law with these people. Go to them yourself, alone, and demand the mon-ey, on the ground that they won the money from a minor." I decided to try. "T confers that this decision made me nervous.' I had mover handled a card, had never been'th a gambling-house, nor spoke with a professed gambler. Moreover, it was not yet six o'clock in the. monning. I went home, swal-Moreover, it was not yet six o'clock in the. morning. I went home, swal-lowed a cup of coffee, and, set out on my strange errand. Edward had lost seventy dollars at Franklin's gambling-house; one hun-dred and fifty at Hodgson's, and one her was opared the shame of acknowl be made it a condition that the facts here made in a condition that the facts here made in a condition that the facts here made in a condition that the facts here made it a condition that the facts here condition the the facts here condition that the facts here dred and fifty at Hodgson's, and one hundred and thirty at Dufour & Clark's. He gave me each address, street and number; my task was to go to these men, talk to them face to face, and get the money—if I could. Franklin was my firstman It was seven A. M. when I knocked at his doom there was like Disarro's. seven A. M. when I knocked at his door—there was no bell to pull. A maid admitted me after some parley, and led the way into a back room, where I found Franklin shaving be-fore a little glass hung at the window. His appearance was not prepossessing: a bullet head, covered with a heavy shock of iron-gray hair, and set strong-ly on a pair of brawny shoulders, a bull-dog expression of face; the whole figure indicating animal force, brutality and obstinancy. His gruff "What doo you want at this hour in the morn-ing?" did not tend to reassure me. The you want at this hole in the mone testate destruction. The wind can ing?" did not tend to reassure me. The upshot of my conference with him wide open. The man made a feint of was a blunt refusal. "The fellow swimming before him, but suddenly took his risk and must stand by it." With that I left him.

ment, that it seems the perfect reflex ence was astonished to find the mere raise the gig, Mr ____, almost bewil-dered, took out the horse and rode of every reader's ideas and feelings boy, who used to call her by her thereupon. There are a few other christian name had grown to be a fine hurriedly on over the remaining part books of this kind in the world, -in young man in the interim. Whether of the flat, towards the Woodwards house. He was directly admitted which Genius does, at once and forever, it was to pique some other admirer in what ambling Talent had always been the room, or whether she really was

vessel in the lungs, and died almost instancously. Mr.-ascertained in home one night with a volume of an encyclopædia under his arm, when he aw a small animal standing in his path. The doctor knew that it was a skunk, but very imprudently hurled the book at him. The skunk, as might have been expected, opened his battery with a réturn of fire so well directed, that the divine was glad to refreat.

"It is not a quarter of an hour, sir," replied the old woman, looking on an old fashioned clock, that was going solemnly, with a dead, muffled beat, upon the landing, and now pointing out the time-about ten minutes after-To be brief his intimacy with the twelve---"she went off close upon Woodwards was renewed, and Flormidnight, and started up just before she died, holding out her arms, as though she saw something; then she fell back upon the pillow, and it was

all over. The apothecary stayed in the house much pride as though he had been that night—for his assistance was often needed by the mother of the dead girl—and left in the morning. The merely the acquaintance of a single dance. Stung at first by her heart-lessness, he left the house and returned dventure of the night before haunted him to a painful degree, for a long period. Nor was his perfect inability to came a reaction, and brain-fover suaccount for it at all relieved, when he BANNDY AND WATER.—Drinking brandy and water is quite popular with certain residents of San Francisco, who have indulged in the habit since the call of 4 reaction, and both the threw-up all his prospects, which were of no ordinary brilliancy, and left home, as it subsequently proved forever; taking advantage of his mother being a relaheard some weeks afterward that young Sherborne had died of a wound received in the battle of Cape St. Vincent, on the very day and at the very hour, when the apparation ap-peared to him on Sheperton Range! We have often heard the story told, cortain resuents or pair rancisco, who have indulged in the habit since the fall of 49 or the spring of '50. Among those given to the habit was a gentle-man known to his acquaintance by the sobriquet of "The Major." He liked his heady and water was well as a way man known to his acquaintance by the sobriquet of "The Major." He liked his brandy and water as well as any one in the world, and indulged in it as often. Some time ago he was stricken and as often heard it explained by the listeners. They have said that it was a curious coincidence enough, but that. Mr .---- was worn out with watchence found, despite her endeavors to persuade herself to the contrary, that pulling it off the road and thus overdeath's door. Hearing of his condition, several of his old cronies called upon him for the purpose of advising him to make his will. They found him in his chamber in a very feeble condition, and finally broached the subject which had induced them to visit him. He listened patiently till they, had ceased, when he asked—"Boys, do you ever turning it. We offer no comments; either upon the adventure or the attempt to attribute it to natural causes, the circumstances have been related simply as they were said to have occurred, and we leave the reader to

she sank, as her frame became more KEEPING A SECRET .- The disbedrink brandy and water?" Expecting to be asked to take some, they all re-plied that they did. "Twon't do," when the Major: drink brandy and water?" Expecting to be asked to take some, they all re-plied that they did. "Twon't dor, "just look here," he continued, as he cold followed another until consump-ingust look here," he continued, as he cold followed another until consump-tion proclaimed its torrible hold upon the beautiful victim. Every thing that the deepest family affection and unlimited means could accomplish was done to stop the stavages of the dis-ease; but although here friends. were to gring to kill me. "Twont do to drink' anything but pure brandy !,"

Some years since, he was going home one night with a volume of an
