port was adopted, and the prizes distrib

uted by Prof. Swartz. The Superintendent appointed Messrs Lloyd, Lundis and Brindle a committee to examine the specimens of penmanship.

ers to discuss topics relative to directors, a racy and humorous debate was conducted by Messrs. W. Palm, Kast, Longsdorf, of Dy Messrs. W. Frain, Kust, Longeuori, Gring, Eckles and Nool, on the proposi-tion to admit directors to the evaning sessions of the Convention free of chargo.

The proposition was voted down. Prof. A. T. Pulm offered the following:

Prof. A. T. Palm offered the following: Received, That -directors be and are herely requested to grant teachers the time to attend the annual - meeting of the County Institute. Pending the consideration of this reso-lution, Prof. D. E. Kast and ex-Superin-tendent Shelley vindicated directors from the charge of penuriousness in witholding from teachers the time consumed in at-tending the Institute. Directors are pub-lic servants, and must, to some extent, be governed by the vice of the penelic of the governed by the voice of the people of th district.

The resolution was unanimously adopt-

Prof. Palm read a letter from L. Kauffrectors of Mechanicsburg, who was pre-vented by illness from attending the convention requesting the institute to dis-cuss the following questions : 1st. "Should school directors be au-

testimony with the first mentioned, that economy of the household was "the power" thorized by law with discritionary power to compel all children, over seven and un-der ten years of age to attend public der ton years of age to attend public school at least three months during the year-books to be furnished when pupils behind the throne," which aided them to amass their Inillionaire fortunes. Did they live to day, we should doubtless see

the system now in use in Philadelphia solving apart the afternoon for proparing lessons and the forenoon for proparing lessons and the forenoon for providence and thus abolish home study? The second question was taken up by the convention.

Prof. Palm strongly urged the adoption

of the Philadelphin sy Oapt. Longsdorith o right the system al ogother impractice ble for rural districts.

togother impractice ble for rural districts. Mr. Snyder opposed its adoption, be-cause the children would then be unem-

ployed during the dvening. The time having arrived for Prof. Waton to resume his instructions tion, Mr. Ployer moved a postponement the discussion. Agreed to, Prof. Watson conducted drills in calls-thenics and the phonetic narrows of the

language. Adjourned.

wonderful properties and then order one of them, to be sent home. Recollect WALKER & CLAUDY, West Main St.-"Down with the 'tyrant" of ignoance that induces you to patronize worth -
