Washburne's proceedings the injurious and very improbable charge of oc-casional complicity in insurrection and treason. The correspondence, howev. er, has not reached the United States. Mr. Washburne, in connection with this controversy, represents that two United States citizens attached to the same direction, I last year entered legation were arbitrarily seized at his mark for the purchase of the islands of legation when leaving the capital of Para-St. Thomas and St. John, on the best guay, committed to prison, and there terms then attainable, and with the exsubjected to torture for the purpose of procuring confessions of their own riminality, and testimony to support der consideration in the Senate. A new

the President's allegations against the United States Minister. Mr. M'Ma-Inited States Minister. Mr. M'Ma-on, the newly appointed Minister to Paraguay, having reached the La Platta, has been instructed to proceed without delay to Asunction, there t investigate the whole subject. The Rear Admiral commanding the United States South Atlantic Squadron has been directed to attend the new Minister with a propernaval force to sustain anch just demands as the occasion may require, and to vindicate the rights of the United States citizens referred to, and of any others who may be exposed to danger in the theatre of war. With these exceptions, friendly rela-tions have been maintained between the United States and Brazil and Par-

aguay. Our relations during the past year be a new source of strength and power. Conforming my administration to these, principles, I have on no occasion lent with Bolivia, Ecuador, Peru and Chili, have become especially friendly and cordial. Spain and the Republics of support or toleration to unlawful expeditions set on foot upon the plea of republican propagandism, or of national ivia and Ecuador have-expressed their willingness to accept the mediation of the United States for extension or aggrandizement. The necessity, however, of repressing such terminating the war upon the South unlawful movements clearly indicates Pacific coast. Ohili has not finally the duty which rests upon us of adaptleclared upon the question. In the ing our legislative action to the new circumstances of a decline of European meantime the conflict has practically exhausted itself, since no belligerent or monarchial power and influence, and hostile movement has been made by the increase of American republican either party during the last two years, ideas, interests and sympathies. Itand there are no indications of a prescannot be long before it will become ent purpose to resume hostilities on either side. Great Britain and France necessary for this government to lend. some effective aid to the solution of the have cordially seconded our proposipolitical and social problems which are tion of mediation, and I do not forego ontinually kept before the world by the two republics of the Island of St. Domingo, and which are now disclosthe hope that it may soon be accepted by all the belligerents, and lead to a secure establishment of peace and friendly relations between the Spanish heretofore in the Island of Cuba. The American Republicans of the Pacific subject is commended to your considand Spain—a result which would be attended with common benefits to the because I am satisfied that the time has because I am satisfied that the time has igerents, and much advantage to arrived when even so direct a proceedall commercial nations. I communiing as a proposition for an annexation cate, for the consideration of Congress, a correspondence which shows that St Domingo would not only receive the Bolivian Republic has established the consent of the people interested; the extremely liberal principle of re-but would also give satisfaction to all of the two republics of the Island of ceiving into its citizenship any citizen other foreign nations I am aware of the United States, or of any delar that upon the question of further exof the American Republics, upon the tending our possessions it is apprehend-simple condition of volunteer registry. ed by some that our political system The correspondence herewith sub-mitted will be found painfully replete cannot successfully be applied to an with accounts of the run and wretch- but the conviction is rapidly gaining edness produced by recent earth-quakes of unparalleled severity, in the ground in the American mind that, with the increased facilities for inter-communication between all portions of Republics of Peru, Ecuador and Bolivin. The diplomatic agents and naval officers of the United States who were the earth, the principles of free government, as embraced in our Constitupresent in those countries at the time tion, if faithfully maintained and carthose disasters, furnished all the reried out, would prove of sufficient lief in their power to the sufferers, and strength and breadth to comprehend were promptly rewarded with grateful within their sphere and influence the nd touching acknowledgments by the civilized nations of the world.
