DR. JACKSON'S ANALEPTICA. NEW REMEDY IN CONSUMPTION.—A Physi-
ian who had Consumption for several years with- frequent bleedings of the lungs, cured himself with- a medicine unknown to the profession, when his
ease appeared hopless. He is the onjy-physician who has used it in his own person, or who has any knowl- edge of its virtues, and he can ascribe the degree of
health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a
want ef confidence in all others induced him to hazard the experiment. To those suffering with any disease of the Lungs he proffers a treatment he confidently believes will eradicate the disease. Price \$1,50 per
bottle or \$8 a half dozen, sent by express. Send for circular or call on DR. E. BOYLSTON JACKSON, No. 250 North Tenth Street, Philadelphia.

7. The United States Government leads the Company its own bonds to the same amount that the company its own bonds to the same amount that the company issues, for which it takes a second mortage as security.

8. As additional aid, it makes an absolute donation of 12,800 acres of land to the mile, lying upon each side of the road.

9. The bonds paysix, per cent, in gold, and the principal is also payable in gold.

10. The carnings from the local or way business were over Foun Millidon Dollans last years, which, after paying operating expenses, was much more than sufficient to pay the interest. These earnings from whill be yastly increased on the completion of the after paying operating expenses, was much more than sufficient to pay the interest. These earnings will be vastly increased on the completion of the ontre line in 1860.

11. No political action can reduce the rate of interest. It must remain for thirty, years—rise percent per annum in gold, now equal to between eight and nine per cent. in currency. The principal is liken payable in gold. If a bond, with such guerantees, were issued by the Government, its market price would not be less than from 20 to 25 per cent. premium. As these bonds are lessed under Government authority and supervision, upon what is very largely a Government work, they must ultimately approach Government prices. No other correct bonds are made secure.

12. The issue will soon be exhausted. The sales have concitions been half a million a day, and nearly twenty millions have already been soft. bout the number of the bonds the Company can issue will be taken by some combination, of capitalities and withdrawn from the market, except at a large advance. The long time, the high gold, interest, and the perfect securitity, must make these bonds very valuable for export.

All the predictions which the officers of this Company have made in relation; to the progress and business success of their enterprise, or the value and advance in the price of their securities, have been more than confirmed, and they therefore suggest that parties who desire to lavest in their bonds will find it to their advantage to do so at once.

HAIR VIGOR, For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshees of worth. and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, hough not always, cured by its use.

Nothing can restore the hair where the follicles are destroyed, or the glands trophied and decayed. But such as reapplication. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious ubstances which make some preparations langerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that aquees of these Pills make him feel decidedly better from their cleaning and renovating effect on the digestive apparatus.

This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Promium and New Tables, the most desirable means of insuring life yet presented to the public. The rates of promium, being Largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avdid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders. house, and the which the inter are so apt to cause the Policy Holdwars. Be and tractive fables are now presented which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY. In the former, the policy-holder not only secures a life insuranc, payable at death, but will receive, if I'lying, after a period of a few years, an annual income equal to ten per cent (10 per cent.) of the par of his policy. In the latter the Company series to return to the assured life total amount of more place has paid in, in addition to the amount of his policy.

The attention of persons contemplating insuring their lives or in creasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company. POPLINS Company.
