NATURE'S GREAT RESTORER.

SCHEETZ'S
CELEBRATED
BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouses of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial result. It is a certain prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRIT, FAINTINGS, SICK HEADACHE, &c. For CHILLS and FEVERS of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

ECONOMY IS WEALTH!

James McGonigal, at No. 83 South Hanover St. Carlisle, would call the attention of his friends and the public generally to his large stock of

STOVES, TIN & SHEET IRON WARE,

which he feels assured will give satisfaction in both quality and price.

In the stove-line he would call especial attention to the

EMPIRE GAS BURNER & PARLOR HEATER.

It is a Perpetual Base Burning Stove. The Furnace will heat an upper and lower room perfectly, and is guaranteed to be perfectly free from explosion of gas. It is so constructed that its rays of heat are deflected to the floor, warming the feet instead of the face. It is a gas consumer, and is perfectly clear from dust. Its ventilation is complete, and the burning gas and ignited coals shine out through the Mica Windows, giving the brightness and cheer of an open fire. Call and see it.

He also offers all the latest and most improved patterns of

PARLOR STOVES,

and a large stock of Cook Stoves, consisting of the

Nimrod,
Niagara,
Ironsides,
Quaker City,
Farmer

and a variety of others, all of which are warranted to be best class Stoves and to give entire satisfaction.

TIN AND SHEET IRON WARE,

made of the very best material, and all other things necessary for housekeepers in his line of business kept constantly on hand.

His expenses are trifling, compared with others, as he defies competition, and would ask those desiring anything in his line of business, to ascertain prices elsewhere, and then give him a call and satisfy themselves that he can sell better articles for less money than any other establishment in the county. His motto is, Quick Sales and Small Profits. Old metal taken in exchange.

Spouting, Roofing and Jobbing promptly attended to, made of the best material and at moderate prices.

INSURANCE COMPANIES.

THE CHARTER OAK
LIFE INSURANCE COMPANY,
OF HARTFORD CONN.
Incorporated 1850, Charter Perpetual.
CASH ASSETS, $4,000,000
JAMES C. WALKLEY, President.
Policies Issued on all Popular Plans.

A few reasons why people insure in the Charter Oak.

1st.—All banking privileges are prohibited, its business being confined exclusively to the insurance of lives.

2d.—Its Risks are selected with great care, thus incurring small losses, and consequently large dividends accrue to the Policy holders.—See Mass. Insurance Reports last six years.

3rd —Its Ratio of Expenditures, including Death Claims and Working Expenses, to Receipts, are unprecedentedly low. Same Reports.

4th.—All the profits are divided among Policy holders, the orignal capital being limited by Charter to eight per cent dividends, no more than it earns for the Company at interest.

5th.—It declares and pays its Dividends *annually* in CASH, thus assisting the insured in the payment of premiums.

6th.—It is prompt in the payment of losses, having paid to Widows and Orphans nearly TWO MILLION DOLLARS, and has *never litigated a claim.*

7th.—The man of wealth insures as an investment.

8th.—Men of small means insure to guard their families against want.

9th.—The man of business insures to provide against possible loss in trade, a life Policy, being a basis for capital.

10th.—Persons in debt insure that their earnings for years of toil may not be sacrificed at death from want of ready cash to cancel liabilities.

11th.—All insure, as money thus laid away by littles is sure to come back largely increased to their families, death being certain to occur.
