Minute directions are given in the wrapper on the box, for the following complaints, which, these Pills rapidly cure :—

For Dysepsia or Indigestion, Listlessness, Languor and Loss of Appotite, they should be taken moderate y to stimulate the stemach and restore its healthy tone and action.

For Liver Complaint and the various symptoms, Bilious Hendache, Sick Headache, Jaundice or Green Sichness, Bilinus Colicand, Hilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery of Diarrhea, but one mild dose is Several to the state of the Heart, Pain in the Side, Back and Loins, they should be continuously taken as required; to change the diseased action of the system. With such change shose complaints disappear.

For Drops and Dropsical Swellings they should be taken in Barge and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken in Brige and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired, effect by sympathy.

As a Dinner Pill, take one or two Pills to promote dijection and relieve the etomach.

An occasional dose signulates the stomach and bowels into hadtby action, restores the appetite, and invigorating the system. Hence it is often advantageous where no serious derangement exists.
