Our former articles were intended to b precautionary, and we are glad to find an oil that is surely non-explosive.

The courtiers at the Court of Queen Elizabeth were wont to gain royal favor by praising the beauty of the Queen's hair. Many modern ladies, by the use of "Barrott's Vegetable Hair Restorative," not only receive praise from their acquaintances, but gain as well the homage of all who, behold their magnificent tresses.— ... Cleveland Herald.

Wear your learning, like a watch, in a private pocket, and don't pull it out to show that you have one; but if you are asked what o'clock it is, tell it. So if you are asked what, the greatest tonic in the world is, you can with confidence say, the Zingari Bitters. It is recommended by some of the most eminent men in this country, as well as in Europe.

We have been using Seward & Bentley's Alisma allew weeks, and have come to the conclusion that there is one preparation for the hair that is good. It an elegant dressing, and makes the hair dark and glossy, giving it a lively appearance. It is not as expensive as an ordinary hair oil, and far better to use.
