ENGLISU, FRENCH, and

As 534 miles of the western portion of the line, eginning at Sacromento, are also done, but about 200 MILES REMAIN To be Finished, to Open the Grand Through Line to the Pacific. This Open-ing will cortainly take place early this season. Besides a donation from the Government of 12,80 Besides a donation from the Government of 12,800 acres of land per mile, the Company is entitled to a subsidy in U.S. Bonds on (is line as completed and accepted, at the average rite of about \$20,500 per mile, according to the difficulties ancountered, for which the Government takes a second lion as security. Whether subsidies are given to any other companies or not, the Government will com-ply with all lis contracts with, the Union Facilio Kaliroad Company. Nearly the whole amount of bonds to which the Company will be entitled have already been delivered. FIRST MORTGAGE BONDS AT PAR. By its charter, the Company is permitted to ssue its own FIRST MORTGAGE BONDS to the ame amount as the Government Bonds, and no over. These Bonds are a First Mortgage upon the naire road and its equipments. THEY HAVE THILKY YEAHS TO RUX, AT SIX PER OENT., and, by special contract, both that this contract is in all respects valid and of legal obligation. Buch securities are generally valuable in pro-portion to the longth of time-they have to run. The low gets six per cont. Interest bonds of the U.-S. (the '61's') will be due in 12 years', and they re worth 112. If they had 30 years to run, they would stand at not less than 125. A perfactly safe Fret Mortgage Bond like the Union Facilic should approach this rate. The demand for Surogan in-vestment is already considerable, and on the com-pielon of the work will doubtless carry the price to a large premium. SECURITY ON THE BONDS. SECURITY ON THE BOMDS. It needs no argument to show that a Frst Nort-gegeof \$20,600 per mile upon what for a long time must be the only railroad connecting the Atlantic and Pacific States is prezervit scours. The entire amount of the mortgage will be about \$10,000,000, and the interest \$1,800,000 per annum is gold. The present currency cost of this interest is less time \$2,500,000 per annum while the gross earnings for the year 1805, FIGM, WAY BUSINESS only. AN AVSEIXAGE OF LESS THAN 700 MILES OF ROAD IN OPERATION, WEIKE MORE THAN FIVE MILLION DOLLARS, e detai is of which are as follows : From Passengers. a la ot which are as follow na Passengers. Freight. Express. Male. Miscellaneous. Government troops. "freight. Contractors" men. "material. Total. This large amount is only an indication of the immonse traffic that must go over the through line io, a few mooths, when the great inde of through line io, a few mooths, when the great inde of through line io, a few mooths, when the great inde of through that this business must make the carings of the read from FIFTEEN TO TWENTY MILLIONS A YEAR. As the supply of these Bonds will soon cease, partles, who desire to invest in throw will find, it for their interest to do so at once. The price for the present is par and accurad interest from Jen. 1, in currency. a currency, Subscriptions will be received in Carlisle by A. L. SPONSLER, A., L. S P O N S L E R, and in New York At the Company's Office, No. 20 Nassau Street. AND BY John J. Olico & Sen, Bankérs No. Si. Wall St., And by the Company's advertised agents throughout the United States. Bonds sent free, but parties ruberribing through local gents, will look to them for their safe delivery. A NEW FAMPHLET AND MAP WAS ISSUED October Jist, contailuing a 'eport of the, work to that date, and a more complete statement in 'ela-tion to the rulue of the bonds than cap he given. and Miss Ker are going to ride to cover." "All right," uoth Brian; and having uckily come provided with breeches and tops, it was not long before he deand a mount as the observation of stranges upon the entire read and its outprents. THEY HAVE THILLY IVEAUS TO RUN, THEY HAVE THILLY IVEAUS TO RUN, and by special contrast, both PRINCIPAL AND INTEREST ARE PAYABLE IN GOLD. The U.S. Supreme Court has recently declard that this contract is in all respects valid and of lead obligation. Such security ratuable in pro-back security ratuable in pro-back security ratuable in pro-back security ratuable in pro-the country well most likely creas to back security as a security and have been and a secure of the country well and a couple of strangers from the other side of the country busy in for-tifying against the chances of a long day. "I've ordered the young chestnut that this contract is in all respects valid and is on too, first sat down in the back security ratuable in pro-the country well most likely creas to back security are segurally ratuable in pro-the country well most likely creas to back security ratuable in proscended to the breakfast-room, where the country we'll most likely cross today ; besides, you handle a horse bet-For the first ten minutes after starting, Brian had his hands full, and not until the chestnut quieted down, had he a fair opportunity of looking at Kate, who, like all pretty women who can really ride, looked better on horseback than anywhere else; and as Brian watched her heightening color, and little figure (swaying with every motion of the horse, the remembrance of his chambers came up like a nightmare. What had green leaves laced with \$1,024,005 0; 2,040,233 16 61,423 08 130,235 59 91,628 17 104,077 77 440,440 33 201,179 09 dew-laden gossamers, carolling larks and full-throated robins, to do with dusty folios and blue-lined foolscap ? Brian thought it over that night, while the picture was still fresh in his memory, and he thought it over every night, \$5,068,851 61 till, as the reader will see, the odds against the Q. O. became longer and longer. What the riding, dancing and games had left undone, the dressing up of the church and house for Christmas day completed, and by the time the greenery was gathered and hung, Brian Rnew that "the tide" had set in, and. that the full waves were beating down every obstacle in their course. And yet he had not by word or look betrayed, himself, to Kate. He, was, much too deeply in carnest to risk ask-ing too soon. He knew it, was, life or death, so to speak ; and so, though he haunted Kate's steps, people did not see what the truth was, partly because of the mask he wore, and partly be-cause of a very special reason which I shall explain presently Christmas was over; some guests left nd others came ;, so that going into the drawing-room one evening, and he-ing rather late, Brian found some ones

reams.

RAILROAD NOW COMPLETED all his eyes at the young face of the was out to the morning face of the morning face of the morning face of the morning aging at First Cross Station, all his eyes at the young face of the morning fac wife's youngr sister Kate, and trying with all his ears to catcle the murmur lish was out; the mistress was with the baby, but would be down directly. So that," and taking the sheltie's rain. baby, but would be down directly. So Brian went into the morning-room to wait, and presently, coming from the Katie's eyes had darkened as Brian

with all his ears to cates the manned of her low, sift voice. "I'll marry that girl, or none," Brian said to himself, as he undressed the night after hiarrival, and so he repeat-to the house rather slowly; and hid-den, as he was, behind the curtain, Brian could see without being seen, Brian went interview of the saw Kate. She walked up to the house rather slowly; and hid-den, as he was, behind the curtain, Brian could see without being seen, Brian went interview of the saw Kate. She walked up to the house rather slowly; and hid-den, as he was, behind the curtain, Brian could see without being seen, strike Ethel as a very cold way for wild triumph seemed to fill his being; ceiving a friend after being away for

be became colscious that Kate's gray for he saw what he had hoped, even ten years ; but Ethel, you see, had a while he dreaded, in Kate's face. She great deal to learn yet. They walked "The hounds meet at the kennel." stopped opposite the window, and up to the house together, and when looked at the dog cart, as if uncertain Brian went to speak to Mrs. Mellish, sir," said the servant, " and master says you'd beter be down soon, as he to whom it belonged, or whether to go on; then suddenly a flush came over What a digner that was! Surely

her, and she turned quickly down the avenue. Brian had come out of his hiding place, and leant against the absent to the home fireside; and, after window; he was desperate just then. many days of exile by sea and land,

heart not far from John. But it was erable that Brian turned and bolted, and the dog cart was half way to the not until later in the evening, when ter than any on I know." Then the station before Mrs. Mellish, who had they were all standing about in the conversation turged upon the merits of waited for the nurse to come up from from listening to the carol sing-the horse and the prospect of having a her dinner, deposited the baby in that functionary's arms, and having seen of saying, in Kate's ear:

that her hair was straight; descended to speak with Brian, founds the bird had flown. "What could he mean ?" she said afterwards to Kate. And Kate, look-

ing very pale, answered : "He wanted to see John, perhaps; woa't John go up and see him ?"

And John, who was one of the most good-natured men in the world, went up to town next day, taking Mrs. Mel-lish with him, and they, having done some shopping, proceeded to Brian's chambers, where they heard the fiat pronounced by the doctor, and learned bet Bries having iced of the saddest and at the same time one of the saddest and the same time one of the sadd hat Brian, having tired of reading law, meant to try a settler's life in Aus-tralia. keeping a small notion store. When "Yon'll come back to us some day.

old fellow," was the Squire's farewell. "Ay, in ten years I'll spend Christmas Day with you.'

"Well, that's a bargain; in ten years we'll lay a knife and fork for you," we'll lay a knue and torktor you, Brian hughed bitterly, repeating, "In ten years !!", and Mrst Mellish, confing up to him, put her hands upon his shoulders and kissed him, whisper-

Wishing the girl looked at her elder magne on the every direction for sister, who' said, as she took off her houre, looking in every direction for shawl? We have seen Brian, Kitty ; he is come again. We have seen Brian, Kitty ; he is come again. Often she will call on the mayor and Often she will call on the mayor and

sea voyage, so he is going to try how other, city authorities to have officers. Australia ar will suit him. for us.'

the boat steerer cried-

n every, direction as they dashed

through the water to attack us. It was a terribly critical moment

However during the early hours o gether with the long crimson track as the night, a light breeze sprang up, so that we made the land soon after midthat he was taking, and this was dinight, when we stood off and on till rect for his com daylight, and then sailed slowly into gether in shore. rect for his companions sporting to-

daylight, and then sailed slowiy new the sheltered anchorage formed by-the Comorin Islands and the neighboring mainland of Africa. The seming to an anchor, all hands line—the last thing I thought of, so, for moments we found our went to breakfast, and when the crav-ings of the inner man had become duly selves right in the midst of the herd Teuton; "vat you mean by schuall satisfied, I armed the crew of my own whale boat, and set off for the shore on of hippotami, whose huge, unshapely a reconnoitering expedition, in order ing little eyes seemed concentrated up-on us, with looks of wonder, fury and

to ascertain whether any natives-hos-tile or peacable-were to be met with, and also to pick out the most likely surprise. Just then, unable to stay beneath spot whence to obtain a stock of wood and water .

Hoisting the sail, a light fair wind soon wafted us to the nearest little islet. But here nothing rewarded our search. Low, impenetrable jungle to-gether with soft black mud, marked with what astonished us, the footprints of some strange and monstrous beast, formed an altogether uninviting wil-dernerness. Proceeding to the next and largest island of the group, however we found abundance of good water, and a fair proportion of dry wood

trees fit for our purpose. Having se-lected a suitable landing place, and seen no trace of inhabitants. I gave the order to shove off, and the boat's head was once more turned towards hermassive mistress, looming fair and tall, at two of the brutes, one on either side, anchor in the distance," The mainland only a few feet distant, and with huge was only a mile or so :rom shore we distended jaws they rushed upon us. Snatching up one of the boat-axes, whilst Long Tom left his steering our now lay on our oars; and, as I gazed in that direction, the temptation to vis-

t it-the curiosity to explore a strange coast-came strong upon me.

Well boys,' said I to my crew, 'what do you say for a stretch ...s far as the shore away there? There is a leading wind, fair going and coming, and we might find better wood and water." This latter expression of opinion was to save my dignity from auffering by any suspicion of idle curiosity. Of course my men were only too delighted at the prospect of a run ashore the islands being small, uninterest-ing, and uninhabited.

ing, and uninhabited. Hauling aft the main sheet, and keeping the boat away for the desired coast; Lieft Long. Tom, my boat steerer, in charge, and stretched myself out in the stern sheets, whilst the rest of the crew followed my example by throwing themselves into the most comfortable positions they could find along the thwarts.

lighter, and for some time we sailed gently on, still and silent, save for the musical lap lap of the ripples against our bows.
