Republican State Tielret. FOR GOVERNOR, Gen. JOHN W. GEARY. JUDGE OF SUPREME COURT, Hon, H: W. WILLIAMS. THE Republican party of this State feels aggrieved that Snowden, the Prothonotary of the Supreme Court, who is known to have issued thousands of Judge in his opinion came squarely up illegal naturalization papers in the interest of the Democratic party, should

be retained in his , position. Judge adelphia offered the widest and most Williams has been blamed with this fertile field for illegal voting, our leg retention, but his friends say that the islators passed additional enactment change can only be made at the expiration of the term for which Snowden has been appointed.

The Democrats are not pleased with Mr. Boutwell's very successful management of our National Treasury. His rapid reduction of the public debt is falsifying all their evil predictions, and they are consequently unhappy. State demands. Gen. Grant and the Republican-party have pledged themselves to "economy retrenchment, and the payment of the public debt," and they mean to fulfil their pledge if it makes miserable every Democrat in the country.

The Reading Eugle is in troubl in regard to raising funds to carry the coming campaign. It proposes to have printed a large number of twentyfive cent certificates, similar to those used in Sunday Schools for missionary purposes, and get every Democrat to buy one] This is calling for quarters at an early stage of the fight. Is it intended that these certificates should serve as rewards for good conduct or from the unqualified, and are protected be used as Democratic currency ?

The old issues and the partic that were formed upon them must give pluce to new issues and new parties. We do not believe there will ever be a Demo-cratic party in Virginia; or if there should be, it will be so altered in every reber of our present population, who can desnair of the Republic, or of its means to repay, in reasonable time, every dol lar of the debt incurred for proserving our National Union N. V. T. ibune

should be, it will be so altered in every re-spect that it will resemble the old one in name alone. The revolution in the theo-ry of our Government has taken away the main. pillar of the old Democracy. Nor do we think that a party bearing the name Whig will any more resemble that which existed before the war. The old parties must all pass away. The new chrystalizations out of the dobris.of, the old and their combinations, with the THE order of Secretary Boutwell for second purchase of three millions of Government Bonds may be regarded as a definite indication of policy. The the old, and their combinations with the Secretary does not construe the law. ine oid, and their combinations with the new issues that must grow out of the new order of our political system, are how, iteadily going on, and Virginis will not be ready to take sides until they take, happe and have the breath of life blown requiring the establishment of a Sinkng Fund (as we think he should) as requiring him to make up the full balnto them. As yet, she is in the civer sails state, endeavoring to expand her limbs and recover her strength in the genial sunshine ance which his prédecessors should

have purchased ; but it is now evident recover her strengt in ine genistsunsning which has been introduced through a loop-hole kindly made for -us by Gen. Grant. She is now drawh to that light, and is inclined to continue in it. Thus far only can we see now. But to join any f the old parties, she is not at all incline and it is not probable that she will. They

Carlisle Republican Honored We are exceedingly glad to learn that Mr. J. H. NOBLH, formerly of this lace. was triumphantly elected to the House of Delegates, at the late election ber. Meabwhile we congratulate him and congratulate the country on the matter in some other way, the Court was in Virginia. His majority reached the wisdom that has at length attained to again opened and the argument proceeded andsome figure of two hundred and a perception of the fact that the busitwenty-five, he running one vote shead ness of the Government, like that of It has already been stated that "Chliffor. of Gov. Wells, and three votes aliead of his colleague. This speaks a volme of praise in his behalf. He, being but a comparatively new man in the State must have evinced very attractive qualities to surpass in the race old residents who have been known and. prove an earnest of more to comerespected there for years. Buckingham county will find in him New York Tribune.

an honest, straightforward representa-tive; and we have no doubt that her izens in 'years' to 'come will bestow pon him still higher honors.

THE instructions of Minister Sickles were drawn at the Department of State with much caution, and were soon thereafter delivered to him at New York under such circumstances as to preclude the possibility of a premainre disclosure of their contents; but from what has since transpired , in official circles, it is safe to assert that there is no instruction relative to the purchase of Cuba. , Of course not.

EF Ex-United States Cowan is pro-posed by the Sunbury Democrat for the Democratic nomination of Judge ventured all to destroy a government that is constantly commanding itse
