station, which was a born to be sure ; 1 was treated with all the discretion due

und since that day they have together, night and day, in an exceed

that the feelings, the impulses, the emo tions of the one are instantly experi enced by the other. When one is sick the other is sick ; when one feels pain the other feels it; when one is angered, the other's temper takes fire. We have already scen with what happy facility they both fell in love with the same girl Now, Chang is bitterly opposed to all forms of intemperance, on prin-ciple; but Engvis the reverse-for, while these men's feelings and emotions are so closely wedded, their reasoning faculties are unfettered ; their houghts are free Chang belongs to the Good Templars, and is a hardworking and enthusiastic supporter of all temperance reforms. But, to his bitter distress, every now and then Eng gets drunk; and, of course, that makes Chang drunk too. This unfortunato thing has been a great sorrow to Chang, for it almost destroys his usefulness in his favorite field of effort. As sure as he is to head a great temperance

procession. Eng ranges up alongside مىسىدى بالمانية كالمستخدلة يتسببك أولاتان of him, prompt to the minute and drunk Personal Habits of the Siamese as a lord ; but yet no more dismally Twins. and hopelessly drunk than his brother

BY MARK TWAIN. who has not tasted a drop And so the two begin to hoot and yell, and to I do not wish to write of the person throw mud and bricks at the Good Templars ; and, of course, they break up the procession. It would be manfestly wrong to punish Chang for what Eng does; and, therefore, the Good Templars accept the untoward situation, and suffer in silonce and sorrow. They have officially and deliberately examined into the matter, and find Chang blameless. They have taken the two brothers and filled Chang full of warm water and sugar and Eng full detectives were at that time on 'A visit guidant fidelity through a long and event- of warm water and sugar and Eng full to Paris, 10f, course, the honesty fulling, Even as children they were iof whisky, and in twenty-five minutes which I have already mantioned as in-inseperable companions; and it was it was not possible to tell which was inseperable companions; and it was it, was not possible to tell which was it was not possible to tell which was the druukest. Both were as drunk as loons-and on hot whisky punches, by the smell of their breath. . . Yet all the while Chang's moral principles were unsallied, his conscience clear ; and so all just men were forced to confess that

tar as appearance is concerned, of any whenever both of them enances to gather number in a crowd to have committed lost, she assisted that when she found by the way, that it is very easy to an that one she would find his brother. In rest people upon false charges by elect the immediate neighborhood, And yet the telegright and such is indeed the shoes creatures, were ignorant and na-facture and another is indeed the shoes creatures, were ignorant and na-facture and another is indeed the shoes creatures were ignorant and naie was not morally, but only physicaldrank. By every right and by every moral evidence the man was strictly sober ; and, therefore, it caused his friends all the more anguish to see him shake hands with the pump, and try to wind his watch with his nightthe offspring of barbarians, who new a Photo ista and in these solemn light the light of philosophy and science.
