Although the salary is but upper ; others were taking their last went directly to the Southern Hotel; one of hay, and a solitary deck hand ran for- port. ward and cried, 'Fire ! fire !' From mouth to mouth the soul stirring cry ran, and in a moment the deck passengers were palsied with fright and desperate with monuments. All other graveyards, in excitement. Hardly heard in the cable ther lands, show some distinction bethe first ory was regarded only as a ruse, tween the great and small, the rich and perhaps a row among the deck passen the poor; but in the great cemetery the gers ; some were a little full of liquorking and clown, the prince and peasant, then in a twinkling came the second cry, are alike distinguished. The same wave a yell-a maddening cry of 'Fire ! fire ! rolls over all; the same requiem by the that pierced the deck, and rang-through minstrels of the ocean is sung to their the cars of the supper eaters like a death honor. Over them the same storm beats, knell. Now there could be no mistakeand the same sun shines; had there un_ It was no foolishness now. That cry marked, the weak and powerful, the meant life or death, and every one felt it. To the upper deck, to the cabin, awakened by the same trump. fore and aft, people ran. Panic, fear and frenzy ruled the hour. There were The use of a proverb as a means of re-75 life preservers in the state rooms, but buke was once happily illustrated by the only one man secured. There was Hon. Jesso Bledsoe, one of the most dis-.yawl, but some of the deck passengers tinguished orators and jurists this State siezed it, and, without oars, indiscrimiever produced. He was dining at the nately paddled ashore with their house of an individual who had sudden hands. From . the small blaze on the ly made a fortune and gave very .handhay near the boiler deck the fire spread some entertainments. A young fellow who sat near remarked that "fools give to the coal oil, and the whole ship was on blaze. The boat was loaded with bafeasts and wise men eat them." 'Yes.' con and other solidities, and the flames, said he " and wise men make speeches, and fools repeat them." The effect on spreading with fearful rapidity, soon found the solid conflustibles, and an inthe young man was to extinguish him tense heat was generated.

STATEMENT OF ELISHA P. WATSON, CAR-PENTER OF THE STEAMER.

ster for eating a man's bread and rid The first I knew of the fire was thus : culing it at the same time. The officers, including myself, had just sat down to supper, and we heard a. negro cry out, 'Fire ! fire ! fire ! the boat's afire.' The mate said, "if that d-d nigger doesn't stop hollering, [11] kin the son of a gun," The mate was irritated, as the negro had given a false says he will not call an extra session of alarm of fire once before. A second or the Legislaturë. two after this there was a cry of fire again, intermingled with a sound of ex citement and confusion, and every one at the table was instantly conscious that by Governor Geary, Associate Law Judge peril existed. We all jumped up from of York county. our chairs and scattered. I ran to the forward step, and descended amid a "wild stream of passengers, officers, and crew-one madly rushing, struggling, the death of William Pitt Fessenden. closely jammed mass, impelled by a com mon desire, and only desire- to escape a burning Mississippi steamer. I saw the fire; we could all see it, gathering headway rapidly, as some of us has seen car. it before on other boats, and as all had read of it. The boat was under waywith the wind from the south. blowing the flames rapidly from room to room, and stanchion to deck. " At, the wheel was Ed. Fulkerson, who promptly rounand the boat to, and ran her up on a ovel bar as the only resort to save
