VIRGINIA LANDS in the Shenandoah Valley for sale.—A number of valuable, and highly improved farms in "the Valley" are offered for sale. The tracts run from 50 to 350 acres. The land is of the best quality of limestone, fully equal, if not superior, to the land in Cumberland Valley, and will be disposed of at astonishingly low figures. The extension of the Cumberland Valley Railroad into Virginia, as now surveyed, will pass immediately through the section of country in which these lands are located, which, when completed, together with the advantage of the Shenandoah river transportation will give them all the advantages of Northern and Eastern markets. A splendid opportunity for lucrative investments is here offered.

A full and minute description of the location and character of the various tracts may be had, by applying to A. L. SPONSLER,
17mh70 Real Estate Agent, Carlisle.

ORE BANK FOR SALE.—A rich deposit of the best quality Hermatite Ore yielding 60 per cent., comprising about 18 ACRES, located in Mouroe township, about 2 miles from the Iron Works of C. W. & D. V. Ahl, on the south side of the Yellow Breeches creek. There is a stream of water running through the tract sufficient for washing the ore and furnishing water power besides. A portion of the land is under a lease and will be sold subject thereto. The balance is unincumbered.

Persons desirous of viewing the bank may call upon George W. Leidich, at "Leidich's mill," formerly known as Bricker's mill, Monroe township, Cumberland county, or upon
