FOR PURIFYING THE BLOOD.

The reputation this excellent melleine enjoys is derived from its curve, many of which are truly mergalows. I preferate cases of Scrottlous disease where the system seemed saturated with cases where the system seemed saturated with Scrottlous affections and disorders, which were angravated by the errottlous contamination until they were pallefully affileding, have been radically cured in such great unmors in almost every section of the country that the public scarcely need to be informed of its without or uses.

Scrottlous of the country that the public scarcely need to be informed of its without or uses.

Scrottlous of the most destructive entering of the organism undermines the constitution, and invites the entitled of constitution, and invites the attack of enfeabling or fath diseases, without exciting a suspicion of its presence. Again, it seems to breed in faction throughout the body, and then, on some favorable occasion, rapidly develop into one or cher of its bidous VALUABLE PROPERTY
