He stood well in his profession, and was known throughout losses, but these are probably of about the State as an able writer, and a forcible speaker. He was quite conspicu ous as a politician, having been for many years connected with the Harrisburg Patriot, and having represented his district in the Thirty-eighth Congress. He was yet a young man, and had his life been spared, would doubtless have attained high measure of success in life.

> Wis have good news from Vermont Last week an election was held in that State for State officers, members of Congress, and Legislature. The Republicans elected their State ticket by 22,000 majority, carried all the Congressmen all the State Senators, and about ninetenths of the members of the Lower Louse. Good for glorious old Vermont She always leads the Bepublican column to victory, and this grand success is the ure token of victory all flong the line.

THE Pamphlet Laws of the session of 1870 have been completed, and are now sont to all the counties in the State. The Look is an enormous oné, containing 1,552 pages, of which about 1,400 are taken up vith local enactments. The appearan

of this volume alone is about as strong an argument as can be urged in favor of such a change in our State Constitution as will make local legislation nearly an • • •

FROM every portion of this District w have the most favorable accounts of the popularity of our candidate for Congress Mr. Raber. Hundreds of Democrat who are thoroughly disgusted, with the manner in which the affairs of their party are managed openly declare their intention to voto for our candidate and work for hiselection. This is good news certainly.

THE Hon. Morrow B. Lowry, of Eric ounty, is an independent candidate for Congress in his district against Judge scholield. Lowry must have been very ^fsure he couldn't come back to the Senate, when he determined to run for Congress, He will be very certain he can't go to

Washington, as soon as he gets the election returns,
