I did this bocause I had used all kinds of advertise remedies, and had found them wordtiless, and son quite injurious; in fact, I despaired of ever gettin well, and determined to use no remedies hereafte unless I knew of the ingredients. It was this the prompted as to use yobr remedy. As you advertise borries, it occurred to bucht, the best and large borries, it occurred to bucht, the best and large excellent combination, and, with his advice, after a examination of the article, and consulting again with the draggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was actonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at that time, but thought my improvement might only be temporary, and therefore concluded to defer and see if it would be of greater value to you, and more sati-factory to me.

I aut now ablo to report that a cure la eff. cted after using the remedy for five months.
