That which is immoral of God. God works by instruments of is immoral; and it no more depends upon will as well as instruments of good. Pontius Pilate was an instrument of God's in the fulfilment of his laws; and Pilate belonged to 4 the powers that be, usage or filman law may say. God is which Christ himself, as a citizen of the which are ordained of God;" and to not a respecter of persons. As to whether world was morally and religiously bound to submit.' Having thus given the substance of our

conversation, I proceed with my des-

cription. Their dress is plain and uniform in "Is it wrong," he asked, "for a man | cut and make, with the usual broadfjustice, honesty, or humanity course with the world and with one another does the religion of the other, they are cheerful and pleasant, course with the world and with one an-

are permitted, nay commanded, to de-fend ourselves and our families against rules of the Church, he is dealt with in ounties of Pennsylvania, some parts of out from the world, and to have placed thy brother; but if he will not hear thee, Maryland, Virginia, and several of the our defence in the arm of Jesus Christ; then take with thee one or two more, that Western States, and some of the British although under the Constitution and in the mouth of two or three witnesses the Church; and if he neglect to hear "Your arguments," I replied, "are the Church, let him be to thee as a

sight of God. They do not, however, condemn their indulgence by the child-ren of this world, nor do they forbid oppression. Am I morally bound to suscepting liusband and wife, parent or It could scarcely be expected but that rules so strict should be kept rather in public servants, and are elected to obey the letter than in the spirit; but, waiying their peculiarities in faith and prac-"My friend," he said, "we are not tice, when tried by that fest by which all Most other professedly evangelical which do not suit their taste, convenience, or o mfort, such as washing of -and disavow those points of doctrine views-such as peaceful submission to njustice, oppression, and wrong; but, the Reformed Mennonists accept of the whole book as it reads, without addition or abbreviation

The Sabbath day they regard as a Jew-ish institution, not binding upon Christians, except in obedience to the civil law, which they always hold it to be a duty to obey, unless it conflict with what they consider a law of God. They do not appeal to the civil law to protect or defend their rights. If unjustly saed at law, they quietly submit, without resistance or appeal. They even refuse, for

thought that he considered, as William | must be supported? "It is customary to any divisions of the church, into differ-Pour had, war to be an evil, that it is make a difference between the civil-and ent sects or denominations; nor is there more than one way recognized in the Holy Scriptures, for the worshipping of God. In accordance with this belief; they refuse to attend at the religious ser- . vices of any other church or denomination, or to hear a sermon delivered by one of their ministers, even at the funeral of a dearest friend. They hold all but one church to be false and heretical, no matter what may be their faith, ereid or works ; for, as there is but one Ged. so there are (and the Scriptures, confirm this truth) but "One Chunch, One FAITH, ONE BAPTISM." They do not. however, openly declare their Church to be that one; although they think that they have a well-founded hope that they are, at least, trying to keep in the "narrow road that leads to life?"

This, as far, as I have described, is a .. true history of a branch of the professedly Christian Church, scarcely recognized by the community of professing Christians, and, to them, almost unknown; but, if purity of life and doctrine according to the literal teaching of the New Testament, is a test of Christianity, its members, certainly and truly deserve the name of Christian

----Do not be above your business; lie of society; and I have no more right to ordains the power of this world; and who turns up his ness at his work, quarriolate one of these laws than you have." he also plainly tells us, that those who rels with his bread and butter. He is a He replied: "That which is immoral are to be saved, must come out from the pougsmith who quarrels with his own ity here, is morality in Turkey. To rob, steal, and even to murder is considered for saw that all men would not submit to be just and right by the Arabs of the to his will; therefore, he instituted government of the saved, must come out from the pougsmith who quarrels with his own world, and be separated therefore. God honest earling; don't be arraid of soil-ing your hands, there's plenty of some to be laid:
