CHEAP Job and book work done at THIS OFFICE with neatness and dispatch. Give us a call.

WE would remind our subscribers who are in arrears, that payment would be very acceptable to us at the present time. All our expenses for compositors, paper, ink, &c., are *cash*, while large sums are accumulating on our books.

AMUSEMENTS.—Since our last issue, the amusement going portion of our citizens have been in luck. Besides the fair, we had two circuses; two concerts by the Garrison Minstrels; two Red Men's Balls, and the Davenport Brothers. Quite enough for one week.

L. T. GREENFIELD, is now disposing of a vast amount of winter goods, as the number of buyers constantly in his store attest. He has a fine stock of cloths and cassimeres, which he is selling at remarkably low prices, at his store, No. 4 East Main street.

A FEW weeks ago we noticed in these columns, that the Sophomores, or graduating class of 1873, had adopted a uniform style of cap, to be worn by its members. The Freshmen, or class of 1874, have also adopted a similar style of cap, with this distinction, the figures "74" instead of "73," are encircled in a silver wreath, worn on the front of the cap.

RED MEN'S BALL.—The Red Men's Ball, which came off in Rheem's Hall, on last Thursday night, was, as might be expected, a grand success. The execution of Capt. Smith was very finely performed, and duly appreciated by the audience. The dancing was kept up until an early hour, the floor managers performing their part in a manner which indicated experience, while the profit to the Lodge is considerable.

THE FAIR.—We publish in this week's HERALD the premium list, complete of the fair of the Cumberland County Agricultural Society, held last week. This fair, in every particular, was a success, the articles exhibited presented a fine display, and the attendance was unprecedentedly large. On Thursday, the big day of the fair, it is estimated that there were eight thousand persons in attendance. While we would like to particularize a number of animals and articles that struck our particular fancy, as being superior, space forbids, and we will have to leave it undone, though against our inclination. We hope that each succeeding fair will bring larger attendance and more exhibitors, and that before long the Cumberland, County Agricultural Society will rank second to none in the State.

A NEW STREET.—At the last meeting of Council, an ordinance was passed authorizing the opening of South street, east and west, to the borough limits. The want of this improvement has long been felt not only by our own citizens, but more particularly by the surrounding country. Persons living east or west of town, coming in on business or pleasure, it was necessary to drive immediately along the railroad for a considerable distance, endangering their lives, if about train time. The petition for the opening of South street, was presented to Council signed by upwards of six hundred persons, of which probably one-half were from the country, and who represented that the streets, as now opened, were unsafe, and asked that this street may be opened, allowing them free ingress and egress to the town. On the north side of the town no difficulty of this kind existed, as streets are opened both east and west, allowing persons to travel without fear of cars.

On the whole, the majority of our citizens sustain the action of the Council, and expect to see South street soon repay more in taxes and improvement than the sum expended to open it.

Announcements.

UNRIVALED YET.—"Blood will tell!" say the horse fanciers, in estimating the endurance of a fine animal; and the motto is a good one, outside of the sporting world. A pure article—intrinsically good—must distance all competitors, eventually. The success of Udolpho Wolfe's Aromatic Schiedam Schnapps has induced the manufacture of an hundred imitations; but in the unrivalled sale of his manufacture, while others have achieved if at all but a scanty success—may be found the public appreciation of pure and wholesome beverage.

THOUSANDS of promising youths, of both sexes, go down to untimely graves, from general debility and weakness, who might be saved by fortifying their systems with Iron. The Peruvian Syrup is an Iron Tonic, prepared expressly to supply this vitalizing element, and is the only preparation of Iron that will assimilate at once with the blood.

PERMATURE grayness of the hair should be prevented, and the best and surest preventive is Hall's Vegetable Sicilian Hair Renewer.

FOUR good boys wanted at No 32 South Hanover Street, Carlisle Pa.

NORTH HANOVER street the last week presented a lively and cheerful appearance. Seeing an unusually large crowd below the bank, we started for the purpose of procuring a local item, and when we arrived, we found them all going into Duke & Burkholder's New Dry Goods Store. Judging from the packages tied up, and in the hands of the ladies, they must have accommodated a great many with cheap goods. They are alive to the interests and wants of all. Money can be saved by purchasing from them, as their goods are all new, and one sees no old styles, or high prices. Give them a call, and see the great bargains.

BE WISE.
While wisdom will benefit you; be not always controlled by your incredulity, hundreds have sought relief from the horrors of Dyspepsia through the medium of DEMUTH'S ANTI-DYSPEPTIC STIMULANT BITTERS and found it. Why should you suffer when this unfailable stomachic has cured many similar cases—why do you doubt while others believe and are cured? Delay in this matter is dangerous and unprofitable. Your health, happiness and business suffers, while constant neglect is frequently followed by serious and uncontrollable results. DEMUTH'S BITTERS are equally useful in the numerous difficulties *attending* indigestion; as BILIOUSNESS, CONSTIPATION, &c., while for FEVER and AGUE and other disorders proceeding from MIASMATA, it is the only reliable preventive and remedy known.

THE OLD ESTABLISHED
STOVE AND TINWARE STORE
OF
JAMES McCONIGAL,
NO. 83 SOUTH HANOVER STREET,
(Adjoining Blair & Son's Grocery Store.)
CARLISLE, PA.

After an experience of over thirty years in the Stove and Tinware business, in Carlisle, the undersigned feels confident that its reputation of the Stoves has some weight with the community. He now offers the celebrated
EMPIRE GAS BURNER,
which he feels satisfied is the best Base Burner in the market. It is handsome, throwing a cheerful light around the room; there are no spinkers even with the worst coal; the fire is relied to the floor and strikes the feet instead of the face; the gas is easily governed; all dust is carried off by a back pipe; it has a ventilating drawer by which no ashes may be kept, thus tightly ventilated; and it produces as great heat from a small quantity of coal as any one ever offered to the public.
He subscribes the "Coal Light," and the "Argand Light," both Base Burners, highly recommended by all who have used them. All these Base burners are insured for three years, and if they do not work entirely satisfactory may be returned. Also the following well known
COOK STOVES:
Nimrod, Ironsides, Farmer, Diamond Slate,
and others. These are all warranted and may be returned if unsatisfactory. Hundreds of them have been put up by me in this community, and their popularity attests their worth.
All these Stoves may be seen at my establishment, and references can be given to parties using them.
SPOUTING A DEGREE,
attended to in borough or country.
Repairing done on short notice.
