an in the struggle. If anything may \$9,039, by five others. It thus appears

from the Republican party put in his place.

While on this subject we may say further, that this tendency of Republican officers to retain bitter and proscriptive Democratic politicians in office, because of some imaginary fitness that no other person possesses, is all wrong. There is material in the Republican party from which any office in the country may be filled without detriment to the public service.

and generally with great benchit to it The assumption by the Democracy that their ranks alone contain the talent, in tegrity, patriotism, and respectability o the country is impudent and preposterous. With a few honorable ex ceptions the opposite statement is the truth. No one ever heard of a Dem-ocratic bench retaining Republican

subordinates in any position, unles they were willing to purchase the favor by the sacrifice of their arineiples They carry out the idea to its fullest extent that "to the victors belong the spoil" when they distribute patronage, but when that prerogative belongs t their opponents they are very anxious that no political considerations should secure the removal of some partizan of theirs, who has for years drawn his liv--THE New York Herald says the reing from the public crib. We are as ready as any one to advocate personal fitsult of the late election is the popular ness as the only qualification to be considered in making appointments, but tion, and that it indicates his re-nominawe want a guarantee in advance, that tion and re-election against all odds this principle shall not work for the ben- whatever. The Herald is a shrewd obcfit of the proscriptive partizants of the server of political events, and has drawn Democracy, and to the disadvantage of the correct inference this time. those who see fit to belong to another

party. THE Democracy of the country may

congratulate themselves on the latest hecession to their active members. At a great meeting held in New York las week, Col. James Fisk, jr., was one of the speakers. He announced himself enceforth "as a good Democrat," and "that he would vote his regular three times a day as well as anybody." This is perfectly right. Fisk owes the Demoroval of such verdicts. cratic party an immense debt of gratitude. Through the courtesy of the Legislatur of New York and Governor Hoffman he has been enabled to control the Eric railroad, steal all the profits, and have a good thing of it generally. He can only hope for such favors from such a party. What fine follows the Democracy of New York have for leaders, Hoffman, Sweeney, Tweed, John Mor risey, James Fisk, Brick Pomeroy, ot id omne genus.

THE Democrats have achieved a vic tory in West Virginia, by the election of their candidate for Governor by a majority of some three or four thousand, gaining two or perhaps three members of Congress, and a majority of the Legislature. West Virginia has idone very badly, but it should be re membered, that her position is a first class que for the colonization of those patriots who served their country in the army of the late lamonted Gen. Lee, and

who are now voting as they fouglit. Gold ranges about 111, which is nearly last week, in Philadelphia, and spoke earnestly in favor of his theory of cumudown to the lowest point reached since the war.
