WILCOX & GIBBS'

SEWING MACHINE.

We have secured the Agency of the Wilcox & Gibbs' Sewing Machine, a little family arrangement no one seeing willing to do without after having seen one in operation. The Wilcox & Gibbs' is a single Thread Machine, and claims superiority over all Double Thread Machines, in the following particulars: It is simpler, and less liable to get out of repair; it is cheaper; it runs with less noise; it runs easier; it runs faster; it has the best device for preventing the wheel from running backward; it requires less mechanical skill to operate it; it requires less time and instruction to learn to use it; it is the most certain and reliable in its operations; its needle is straight and less liable to be broken than if curved one; the needle is secured in its place, by an ingeniously patented device which renders it self-adjusting, so that neither skill nor experience are required in arranging it; it sews directly from the spool, thus doing away with the tedious operation of re-winding the thread for adjustment in the shuttle; it makes the Wilcox & Gibbs', or "twisted loop stitch," a stitch original with this machine, and made by no other; the seam is more elastic and stronger than the Lock Stitch; the seam is the most even and beautiful; the seam is always self-fastened thus avoiding a reversible feed; its tension is more simple and more easily adjusted; it is more rapidly changed from one kind of work to another; it does beautiful embroidery; it has the best hemmer; it has the best shuttle; it has the best bobbin; it has the best belt. The Wilcox & Gibbs has been in the market for a little more than eight years, during which time upwards of sixty thousand have been made and sold, a number by fifty per cent larger than were sold of any Double Thread Machine in the same number of its earliest years. Such success is sufficient to warrant the sale of this Machine wherever it has an agency, without the doubling evidence of testimonials, of which there are enough to fill up the columns in the land. These Machines are on exhibition at our store,

NO 26 NORTH HANOVER STREET, CARLISLE,

where they may be examined, and they will take great pleasure in explaining anything relating to it. Respectfully, &c.,

THE EMPIRE MUTUAL.

UNEXAMPLED!

THE EMPIRE MUTUAL

LIFE INSURANCE COMPANY,

OF NEW YORK,

In the first Fifteen Months of its existence has issued

OVER FORTY-FIVE HUNDRED POLICIES!

INSURING OVER $8,000,000.00

and taking in Premiums $500,000.00, being the largest commencement business ever done by any company in the world!

THE REASON FOR IT.

Ordinary whole-life policies are absolutely non-forfeitable from payment of first annual premium.

Special insurance non-forfeitable after two annual payments.

All policies incontestable for usual causes, and absolutely incontestable after two annual premiums.

All restrictions upon travel and residence removed, and no permits required.

No accumulation of interest on Loans or Deferred Premiums; and no increase of annual payments on any plans of policies.

One-third of the premium loaned to the party insured, if desired, and no Note required.

Dividends on the progressive plan, and also upon the guarantee interest plan.

Business of the company conducted on the Mutual Plan.

Policy simple and fair in its provisions.

Incontestability of Policies.

It is the purpose of The Empire to fulfill all its contracts, the evidence of which is that its policy has no convenient refuges by means of which it can escape a just demand. Proven fraud on the part of the insured will always invalidate a policy. Also suicide, if committed previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, the policy will be held incontestable for all causes except fraud.

Non-Forfeiture of Life Policies.

No policy of insurance with continuous payments for life will be forfeited or become void by the non-payment of premiums thereon, until the full paying power of the premiums have been exhausted. The language of the policy is:

"That if any premium after the first annual premium shall have been paid, shall not be paid on the day when due, and the said assured shall, within thirty days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued as before under the following conditions. Then and in such case this policy shall not be forfeited or become void by the non payment of the said premium due thereon, until after the expiration of a period, to be determined as follows, to wit: Ten times of this policy when the premium becomes due shall be determined by actuarial calculation, and after deducting from such net value the loans upon said policy unanswered by dividends, and any indebtedness to the Company, four-fifths of what remains shall be considered a net single premium of temporary insurance, and this policy shall be continued in force during the term for which it will insure, according to the age of the party at the time of the lapse of the premium."

Example of the Non-Forfeitable Plan of the "Empire."

Age of party insured, 35 *Ordinary whole life policy.*

One annual premium will continue the policy in force 2 years and 3 days.

Two annual premiums will continue the policy in force 4 years and 12 days

Three annual premiums will continue the policy in force 6 years and 27 days.

Four annual premiums will continue the policy in force 8 years and 45 days.

Five annual premiums will continue the policy in force 11 years and 56 days

etc. etc. etc. etc.

Hoofland's German Medicines.

HOOFLAND'S

GERMAN MEDICINES,

HOOFLAND'S GERMAN BITTERS,

Hoofland's German Tonic,

Hoofland's Podophyllin Pill,

HOOFLAND'S GREEK OIL.

HOOFLAND'S GERMAN BITTERS,

A Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the pure juices of vital principle of Roots, Herbs, and Barks (or as medicinally termed, extracts,) the worthless or inert portions of the ingredients not being used. Therefore, in one bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist and forwarded to the manufactory in this city, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others; no desire for stimulants can be indulged from their use, they cannot make drunkards, and cannot, under any circumstances, have any but a beneficial effect.

HOOFLAND'S GERMAN TONIC

Was compounded for those not inclined to extreme bitters, and is intended for use in cases where some alcoholic stimulant is required in connection with the Tonic properties of the Bitters. Each bottle of the Tonic contains one bottle of the Bitters, combined with pure Jamaica Cruz Rum, and flavored in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal virtues of the Bitters. The price of the Tonic is $1.50 per bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A pure article could be furnished at a cheaper price, but is it not better to pay a little more, and have a good article? A medicinal preparation should contain a menstrue the best ingredients, and they who expect to obtain a cheap compound will most certainly be cheated.

They are the Greatest Known Remedies

—FOR—

Liver Complaint,

Dyspepsia.

Nervous Debility,

Jaundice,

Disease of the Kidneys,

Eruptions of the Skin,

and all diseases arising from a Disordered Liver Stomach, or Impurity of the Blood.

Read the following symptoms:

Constipation, Flatulence, Inward Piles,
Fullness of Blood to the Head,
Acidity of the Stomach,
Nausea, Heart-Burn,
Disgust for Food, Fullness or Weight in the Stomach,
Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits. All these indicate Disease of the Liver or Digestive Organs combined with impure blood.

The use of the Bitters or Tonic will accomplish the above symptoms to disappear, and the patient will become a well and healthy

DR. HOOFLAND'S

PODOPHYLLIN,

OR SUBSTITUTE FOR MERCURY PILL.

—TWO PILLS A DOSE.

The most powerful, yet innocent, Vegetable Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach, and Bowels of all impurities. The principal ingredient is Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more

Powerful, Acting, and Searching,

than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from the injurious results attached to the use of that mineral.

For all diseases, in which the use of a cathartic is indicated, these Pills will give entire satisfaction in every case.

THEY NEVER FAIL.

In cases of Liver Complaint, Dyspepsia, and extreme Costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or Tonic builds up the system. The Bitters or Tonic purifies the Blood, strengthens the nerves, regulates the Liver, and gives strength, energy, and vigor.

Keep your Bowels active with the Pills, and tone up the system with Bitters or Tonic, and no disease can retain its hold, or even assail you.

These medicines are sold by all Druggists and Dealers in medicines everywhere.

COMFORTS OF HOME.

THE AMERICAN BASE BURNER.

Air—"Home, Sweet Home."

O'er mountain and moor, though we ever may rove,
Our hearts turn with fondness back to that Store,
Where we set all last winter, a warming our toes,
And found mem'ry ecstatic, hails its old time repose.
Store, Store, Base-Burning Store,
There's no Store like thee, American Store.

Forced to suffer by another, we quickly repine,
O, give me the American; that is the shrine,
About which we all gather in pleasant and neat,
And keep ourselves comfortable way down to our feet.
Store, Store, American Store,
There's no Stove like thee, Base-Burning Store.

Had I Stoves placed before me to test by my choice
For the "American Base-Burner" I'd rates loudly my voice,
For with the fuel in it, I will bring out the best
And keep you warm and pleasant down to your feet.
Store, Store, wonderful Store,
There's no Store like thee, American Store.

THE OLD ESTABLISHED

STOVE AND TINWARE STORE.

JAMES McCONIGAL,

NO. 32 SOUTH HANOVER STREET,

(Adjoining Blair & Son's Grocery Store,)

CARLISLE, PA.

After an experience of over thirty years in the Stove and Tinware business, in Carlisle, the undersigned feels confident that his recommendation of Stoves has some weight with the community. He now offers the celebrated

EMPIRE GAS BURNER,

which he feels satisfied is the best Base Burner in the market. It is handsome, throwing a cheerful light around the room; there are no clinkers even with the worst coal; the heat is reflected to the floor and strikes the feet instead of the face; the gas is entirely consumed; all dust is carried off by a back pipe; it has a ventilating damper by which rooms may be kept thoroughly ventilated; and it produces as great heat from as small a quantity of coal as any stove ever offered to the public.

He also offers the "Cozy Light," and the "Beacon Light," both Base Burners, highly recommended by all who have used them. All these Base burners are insured for three years, and if they do not work satisfactorily may be returned. Also the following well known

COOK STOVES:

Nimrod,
Ironsides,
Farmer,
Diamond Slate,

and others. These are all warranted, and may be returned if unsatisfactory. Hundreds of them have been put up by me in this community, and their popularity is universal.

All these Stoves may be seen at my establishment, and references can be given to parties using them.

SPOUTING AND ROOFING done on short notice, and all kinds of

JOBBING

attended to in town or country.

Repairing done on short notice.
