The Garlisle Kernld. YOL, 71, NO. 4.

WITHIN the last ten days, eight Sena-

tors of the United States have been

Commonwealths. Massachusetts re-

Hon. Lot M. Morrill ; New Jersey has

chosen Hon. F. T. Frelinghuysen ; Dela-

as it exists in Delaware and Missouri.

ors and offices of the little State of Dela-

ware. His brother, Willard, has been

Senator from that State for the last

twelve years, and has done little else

than disgrace his position during that

time. The three brothers were candi-

dates for position this year, and there

is doubtless, a soro disappointment in

the minds of two of them. Saulsbury

may make a good Senator, but if he does

it will not be because of his political

opinions, or his relationship. Frank

Blair is very well known. He has been

a very good soldier, but a very uncertain

sort of a politician. He is a Democrat

now, and will remain so until the next

Senatorial election in Missouri. What

he will be then will depend greatly or

Messrs. Logan, Windom, and Ferry

are new to us as Senators, but they have

made exceedingly good records as mem-

bees of the lower. House: Logan has

been particularly conspicuous as the Con-

gressman-at-large from Illinois since the

war. He is a man of great natural

ability, and force of character, and will

doubtless, make himself felt in the Sen

ate. The Republicans have overy reason

to congratulate themselves on their newly

THE average balance in the Treasury,

prehend the good that accrues from keep

ing this vast fund as a reserve. Why is

penditures, and have done so for years

We have been, for the last two years,

debt. Why not devote at least three

fourths of this balance to the same pur

pose? We used to imagine that the

Government would resume specie pay

ments by some definite act, and at a

given time, and while this appeared to be

large surplus. We are convinced now,

and have been for some time, that the

plan is to reach specie payments through

a very gradual improvement of our cred-

it and the force of circumstances. While

we don't believe this to be the best plan.

we are quite sure it is what nine-tenths

our debt at all, are in favor of. If that

interested in the matter, and they

the intention, there was a necessity for a

circumstances.

chosen Senators.

THE trouble at West Point, over the called upon to endorse its recommend colored cadet still continues, very much | tion of waking the State Constitution to the disgrace of the authorities of that | conform to the Fiftcenth Amendment, Institution. The cause of all the dis- and its advocacy of protection, they were
