WILCOX & GIBBS'

SEWING MACHINE,

We have secured the Agency of the Wilcox & Gibbs' Sewing Machine, a little family arrangement no one seems willing to do without after having seen one in operation. The Wilcox & Gibbs' is a Single Thread Machine, and claims superiority over all Double Thread Machines, in the following particulars: It is simpler, and less liable to get out of repair; it is cheaper; it runs with less noise; it runs easier; it runs faster: it has the best device for preventing the wheel from running backward: it requires less mechanical skill to operate it: it requires less time and instruction to learn to use it; is the most reliable and reliable in its operations: its needle is straight and less liable to be broken than a curved one; the needle is secured in its place by an ingeniously patented device which renders it self-adjusting, so that, neither skill nor experience are required in arranging it; it sews directly from the spool, thus doing away with the fatiguing operation of re winding the thread for adjustment in the shuttle: it makes the Wilcox & Gibbs', or "twisted loop stitch," a stitch original with this machine, and made by no other; the seam is more elastic and stronger than the Lock Stitch; the seam is the most even and beautiful: the seam is always self-fastening thus avoiding a re-sewible feed; its tension is more simple and more easily adjusted; it is more speedily changed from one kind of work to another; it does beautiful embroidery: it has the best hemmer: it has the best filler: it has the best binder: it has the best belt. The Wilcox & Gibbs has been in the market for a little more than eight years, during which time upwards of sixty thousand have been made and sold, a number by fifty per cent larger than were sold of any Double Thread Machine in the same number of its earliest years. Such success is sufficient to warrant the sale of this Machine wherever it has an agency, without the doubling evidence of testimonials, of which there are enough to fill up the columns in the land. These Machines are on exhibition at our store,

NO. 26 NORTH HANOVER STREET, CARLISLE,

where they may be examined, and they will take great pleasure in explaining anything relating to it. Respectfully, &c.,

HELMBOLD'S BUCHU.

THE KIDNEYS,

The Kidneys are two in number, situated at the upper part of the loin, surrounded by fat, and consisting of three parts, viz: the Anterior, the Interior, and the Exterior.

The anterior absorbs. Interior consists of tissues or veins, which serve as a deposit for the urine and convey it to the exterior. The exterior is a conductor also, terminating in a single tube, and called the Ureter. The ureters are connected with the bladder.

The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Mucous. The upper expels, the lower retains. Many have a desire to urinate without the ability; others urinate without the ability to retain. This frequently occurs in children.

To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue.

The reader must also be made aware, that however slight may be the attack, it is sure to affect the bodily health and mental powers, as our flesh and blood are supported from these sources.

GOUT OR RHEUMATISM.—Pain occurring in the loins is indicative of the above diseases. They occur in persons disposed to acid stomach and chalky concretions.

THE GRAVEL.—The gravel ensues from neglect or improper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder, but allowed to remain; it becomes feverish, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

DROPSY is a collection of water in some parts of the body, and bears different names, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca; when of the abdomen, Ascites; when of the chest, Hydrothorax.

TREATMENT.—Helmbold's highly concentrated compound Extract Buchu is decidedly one of the best remedies for diseases of the bladder, kidneys, gravel, dropsical swellings, rheumatism, and gouty affections. Under this head we have arranged Dysuria, or difficulty and pain in passing water; Scanty Secretion, or small and frequent discharges of water; Strangury, or stopping of water; Hematuria, or bloody urine; Gout and Rheumatism of the kidneys, without any change in quantity, but frequently in color, or dark water. It was always highly recommended by the late Dr. Physick, in these affections.

This medicine increases the power of digestion, and excites the absorbents into healthy exercise by which the watery or calcareous depositions, and all unnatural enlargements, as well as pain and inflammation, are reduced, and it is taken by men, women, and children. Directions for use and diet, accompany.

Philadelphia, Pa., Feb. 25, 1867.

H. T. Helmbold, Druggist:

Dear Sir—I have been a sufferer, for upward of twenty years, with gravel, bladder and kidney affections, during which time I have used various medicinal preparations, and been under the treatment of the most eminent physicians, experiencing but little relief.

Having seen your preparations extensively advertised, I consulted with my family physician in regard to using your Extract Buchu.

I did this because I had used all kinds of advertised remedies, and had found them worthless, and some quite injurious; in fact, I despaired of ever getting well, and determined to use no remedies hereafter unless I knew of the ingredients. It was this that prompted me to use your remedy. As you advertised that it was composed of buchu, cubeb, and juniper berries, I counsel ed to me and my physician as an excellent combination, and, with his advice, after an examination of the article, and consulting again with the druggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at that time, but thought my improvement might only be temporary, and therefore concluded to defer and see if it would effect a perfect cure, knowing then it would be of greater value to you, and more satisfactory to me.

I am now able to report that a cure's effected after using the remedy for five months.

I have not used any now for three months, and feel as well in a respects as I ever did.

Your Buchu being devoid of any unpleasant taste and odor, a nice tonic and invigorator of the system, I do not mean to be without it when we occasion may require its use in such affections.

HOOFLAND'S

GERMAN MEDICINES,

HOOFLAND'S GERMAN BITTERS,

Hoofland's German Tonic,

Hoofland's Podophyllin Pill,

HOOFLAND'S GREEK OIL.

HOOFLAND'S GERMAN BITTERS.

A Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the pure juices of vital principle of Roots, Herbs, and Barks (or as medicinally termed, extracts,) the worthless or inert portions of the ingredients not being used. Therefore, in one bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist and forwarded to the manufactory in this city, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others; no desire for stimulants can be induced from their use, they cannot make drunkards, and cannot, under any circumstances, have any but a beneficial effect.

HOOFLAND'S GERMAN TONIC

Was compounded for those not inclined to extreme bitters, and is intended for use in cases where some alcoholic stimulant is required in connection with the Tonic properties of the Bitters. Each bottle of the Tonic contains one bottle of the Bitters, combined with pure Santa Cruz Rum, and flavored in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal virtues of the Bitters. The price of the Tonic is $1.50 per bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A pure article could be furnished at a cheaper price, but is it not better to pay a little more and have a good article? A medicinal preparation should contain none but the best ingredients, and they who expect to obtain a cheap compound will most certainly be cheated.

PODOPHYLLIN,

OR SUBSTITUTE FOR MERCURY PILL.

TWO PILLS A DOSE.

The most powerful, yet innocent, Vegetable Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach, and Bowels of all impurities. The principal ingredient is Podophyllin, or the Alcoho le Extract of Mandrake, which is by many times more

Powerful, Acting, and Searching,

than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from the injurious results attached to the use of that mineral.

For all diseases in which the use of a cathartic is indicated, these Pills will give entire satisfaction in every case.

THEY NEVER FAIL.

In cases of Liver Complaint, Dyspepsia, and extreme Costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or Tonic builds up the system. The Bitters or Tonic purifies the Blood, strengthens the nerves, regulates the Liver, and gives strength, energy, and vigor.

Keep your Bowels active with the Pills, and tone up the system with Bitters or Tonic, and no disease can retain its hold, or even assail you.

These medicines are sold by all Druggists and Dealers in medicines everywhere.

Recollect that it is

THE OLD ESTABLISHED

STOVE AND TINWARE STORE.

JAMES McCONIGAL,

NO. 33 SOUTH HANOVER STREET,

(Adjoining Blair & Son's Grocery Store,)

CARLISLE, PA.

After an experience of over thirty years in the Stove and Tinware business, in Carlisle, the undersigned feels confident that his recommendation of Stoves has some weight with the community. He now offers the celebrated

EMPIRE GAS BURNER,

which he feels satisfied is the best Base Burner in the market. It is handsome, throwing a cheerful light around the room; there are no clinkers even with the worst coal; the heat is reflected to the floor and strikes the feet instead of the face; the gas is entirely consumed; all dust is carried off by a back pipe; it has a ventilating damper by which rooms may be kept thoroughly ventilated; and it produces as great heat from as small a quantity of coal as any stove ever offered to the public.

He also offers the "Cozy Light," and the "Benson Light," both Base Burners, highly recommended by all who have used them. All these base burners are warranted for three years, and if they do not work satisfactorily may be returned. Also the following well known

COOK STOVES:

Nimrod, Ironsides,
Farmer, Diamond Slate,

and others. These are all warranted and may be returned if unsatisfactory. Hundreds of them have been put up by me in this community, and their popularity is universal.

All these Stoves may be seen at my establishment, and references can be given to parties using them.

SPOUTING AND ROOFING,

attended to in town or country.
Repairing done on short notice.
