THE ILLUSTRATED CHRISTIAN WEEKLY for July 15, contains a variety of inter esting matter, among which are the fol lowing illustrated articles: Egyptian Nile Boats ; Lake George ; Life in the Coal Mines; Tree Chapel of Alonville. The paper enters, with this number, upon the second quarter of its existence and the publishers, in order that they may better introduce it to their friends, offer to send it to any new subscriber, from the present date to the first of January, for seventy-five cents; a rate which, it is believed, renders it the cheapest illustrated paper in the country. The paper is enriched by articles from Drs. Adams. Skinner, Schaff, Budington, Cuylor, and Rankin, Professors Baird, J. S. C. Abbott, Dr. Hall, and others. Darling, Hart, Gifford, Rossiter, and Chapman have contributed to the art department. While the paper has never lost sight of its Christian aim it has illustrated the breadth of the Christian religion by the range of its topics.

The Hagerstown Mail, whose Democ racy none will deny, pitches ungloved into the "new departure" men, and concludes an editorial on "The Senseless ness of Departures" as follows:

Departures forsooth! And departures from what! Simply a Departure from principle! A Departure from the principles enunciated by Washington and Adples enunciated by Washington and Adams, Hancock and Jofferson, Clay and Calhoun—that white men'should rule in the land! New lights/ have already sprung up—Lincolns, Butlers, Grants, Beechers, Sumners, Greeleys, Philipses, and even Fultons—who have taught, and some of whom still teach a "new departure," or more properly speaking departure," or more properly speaking an "old departure" from an old truth the truth of Democratic Principles! The principles taught by these new lights in-dicate the sentiment that the negro is not an inferior being to the white man, but is his equal in all; and the "new" department as well as the "old" departure (into which some unthinking Democrats have been entited) is simply a departure from the fundamental principle of the Federal as well as the Democratic Fathers abov montioned. Whenever we hear a Demo-erat talking about "Democratic Depart-ures," we at once assume he does not know what he is talking about, or has aban doned his ancient faith. ----
