RIGHT.-The police made a "raid" on some "loafers" in the Market House on Tuesday, and arrested sixteen c them. This is right. Let the police do their duty, with regard to these persons loafing around the square, and they will soon make themselves "mighty scarce."

NOTWITHSTANDING the fact that ex cursion trains were run on the C. V. R. R. to the "Ridge Camp," on Sabbath last, a large number of our citizens visited Possum Hill camp. The attendance was large, and the best of order observed on the grounds.

Onituany.—It becomes our sad duty this week, to chronicle the death of Mr. David Martin, an old and respected citizen of this place, who breathed his last on Tuesday morning, after a lingering illness of three months. Mr. Martin was born in Monroe township, this county, but was a resident of our borough for the past 25 years. For a number of years he was the proprietor of the 'Corman," now the "Bentz" House, and while there made hosts of friends and acquaintances. Mr. M. was in the seventy-second year of his age-

Ice. - We visited, a few days since, the to house of Mr. Holmes Blair, and found the Superintendent, Mr. Levi Zeigler and his assistant, Mr. Mol. Zeigler busily engaged in getting out the frozen lumps

Mr. Blair's ice house which is, docidedly, the largest in the Cumberland Valley, holds when filled over 800 tons, and contains at the present time some 800 tons, thus insuring the people of Carlisle a supply during the continuar

of the warm weather. The other dealers in this article in town have been out for several weeks. and had it not been for the enterprise of Mr. Blair in erecting his commedious ic house, we would now be dependent on the city for bur supply and, consequently, would be paying very high prices.

It is Mr. Blair's intention to merely charge a fair price for his ice, not taking advantage of the ,fact that he has the business all in his own hands, and we hope that his investment may be a profitable one.

THE RIDGE CAMP MEETING.—Th Ridge Camp Meeting which is now in progress, has been very largely attended. ere are probably one hundred tents, the majority of which are of canvass. Inside of the square of the tents, are seats capable of comfortably seating 3,000 persons. On Sabbath last, excursion trains were run from Harrisburg and Chambersburg, and it is estimated that nearly 10,000 persons were present during the day. Notwithstanding the vast number assembled, the utmost order prevailed, with the exception of a quarrel between some persons of Car-

isle, and some rowdies of Harrisburg. An accident occurred during the after noon, by which a young lady, Miss Annie Keefer, of Harrisburg, was seriously, if West. It contains nine rooms, a large not fatally injured. She was invited to take a drive, by a young man of her in front, and 240 feet in depth, improved acquaintance from Carliele, and during by shrubbery, evergreens, and a variety the drive the front axle broke, throwing of large and small fruits. Apply on the ICAL FILLS, in White Letters, without that not them to the ground, and hurting the lady in the spine and side. The camp meeting will close on Friday, the twentyfifth instant.

BUSINESS.—Some of the leading merchants of this place, acting on the suggestion offered in last week's HERALDY circulated a petition, to the effect that all places of business would be closed from 10 a. m., until 8 p. m., on Saturday, the nineteenth instant, to afford their clerks an opportunity of witnessing the dedication of the Boldiers' Monument. The petition was very generally signed, hour named. But we are compelled to say that a number of them violated the stipulated agreement; for scarcely had repairing in all its various branches, and the Benediction been pronounced, when certain prominent merchants opened up their stores, regardless of the petition they had signed, while a number o others, on the other hand, kept their doors closed until three o'clock.

It is with great reluctance that we re vert to this matter, but justice to the Choice new family flour. Queensware business men that kept "closed doors" compels us to notice it. This is the first | sold. Everything guaranteed. time, we believe, our business men have been requested to close, excepting on public holidays, and in due respect to the memory of our "fallen brave," we think there might, with propriety, have think there might, with propriety, have been a general suspension of business during the hours named in the petition.
