Far from it. Those who have experienced its torments would scout such an idea. All dread it, and would gladly disponse with its impleasant familiarities. Mark Tapley, who was jolly under all the trying circumstances in which he was placed, mover had an attack of dyspepsia, or his jollity would have speedily forsaken him. Men and women sometimes suffer its tortures uncomplainingly, but whoover heard of a person who enjoyed them?

Of all the multifactions diseases to which the human system is liable, there is perhaps no one sequerally provalent as dyspepsia. There are, diseases more acute and puinful, and which more frequently prove fattal; but none, the effects of which are so lepressing to the mind and so positively distressing to the oldy.
