SANTA CLAUS GIVES UP. The new advertisement of the "Live Store" has drawn the attention of so many people, that old Kriss Kindls finds only a corporal's guard to look for his approach, all preparing to go to Duke & Burkholder's Dry Goods Store and select their own gifts. We would say to those who have not yet examined our Holiday Goods, to hurry up whilst the assortment is yet perfect. We are always ready to show the beautiful gifts, and as for cheapness, all agree that they are astonished, and wonder how good goods can be furnished so very low. We will give you the reason: Everything we sell has been marked at holiday prices. If you want to save noney, call at Duke & Burkholder's "Live Store."

American Clothes Washer. THE AMERICAN WASHER!

PRICE \$5.50 The American Washer Saves Money, Time, and Drudgery. The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure.

Clean Clothing, Sure.

In calling publication to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet involted), are recommended. It is the smallest, most compact, most portable, most simple is construction, most early operated. A child ten years old, with a tew burst practice, and throughly comprohesed and effectually use it, the properties of the properties of the properties of the properties. It is a prifer little wonder! It is a miniature clast, doing more work and of a butter quality, than the most clab-rate and costly. One half of the labor is tully award by its use, and the clother will last one-hift longer than by the old plau of the rur board It will wash the largest blanks. Three shirts at a time, washing theoughly! In a word, the binton of any fabric, from a Quilt to a Lace Curtain or chambric Handkerchief, are equally within the campactive of the inIT's E of Mil It can be fastered to any tub and taken off at will.

No matter leve deep tooted a prejudle may exist against washing Machines, the molecular his little, may the desiration of the machine.

We have the simulation and discord and others, and doubts I televaning efficacy and utility are tambed and the doubter and defractor at once been as the fast irrected of the machine.

We have the simulation when saided the unveiled, useless machines, with have signally failed to accommish the development of the machine of the machine.

The many aparts for washing as a wringer is for the transfer of the machine of the ma counding advertisements.—
It is an perfect for washing as a wringer is for loging. The price an there parameter induce quent to purchasers, has been placed so low that is indicated as low dishing the reach of every it unexcept, and there is not the look of the comment of the will reply the mail lawsetiment as soon.

\$5.50. All that leasted for this GREAT LABOR SAVER a fair trial. We guarantee each machine to do in fair tilal We guarantee each machine to do a work p-fretly.
