Indigestion is not dangerous, say the faculty. Perhaps abt in itself, while it remains more indigestion; but look at the coussquences to which it may laid and often does also when; it becomes a chipmin disease. A spark of fire is a small thing. A pressure of the foot will put it out; a breath will estinguish it. Yet it may fire a powder milli, or kindle a lame that will coewano, a city. In like manuer indigestion may produce gastritis, cancer of the stomach, congestion of the bowels, apoplesy, liver disease, and many other dangerous maladies. Is it not wise, then, to check it in the germ.] Nothing is more clearly and indisputably established than that Hostelter's Blomeh Bitters will eradicate dyspepsia in all its stages. The true policy, however, is to axinguish it in the first stages with this wholesome, powerful, and infallible tonic and alterative. It is easier to cure dyspepsia when it is first developed, than when it has made headway by neglect, and become compleated with other all-ments. There is not the shadow of a doubt that the bitters are as directly antagonistic to dyspepsia as water is to fire.
