CHANCE OF BUSINESS.—Our townmaster, Captain S. J. Shoop, late Road Master on the Cumberland Valley Railroad, having resigned that position, has associated himself with Mr. H. R. Mosser, of New Canaan, in the hardware business. The Captain has resided in this place for the past seven years, and it is with regret that we announce his departure from our borough. He has proved himself an able and efficient employer of the country, as attested by the testimonials received from the President, Judge Watts, and O. N. Lull, Superintendent of the road. The new firm will be liberally patronized by the people of the Valley. We wish them abundant success.

SECURITY OF WATER.—That portion of the community dependent upon the Water Company for their supply of that indispensable article, suddenly found themselves deprived of it on Friday morning last. Scarcely a day had passed, and the water was again flowing in their pipes, suggesting that the pipes were frozen, made inefficient attempts at thawing them. Pump water was greatly in demand. The stoppage in the flow of water was occasioned by some machinery getting out of repair. In the course of a few hours the accident was repaired, and an immense quantity of little fish or "minnies" were being coming through the pipes, ever since, owing to the small quantity of water in the main pipe, day last, Mr. Foote was obliged to furnish the supply of water in the main pipe, in order to remove some fish that had blocked up the pipe leading into the Mansion House, thus cutting off the supply. Owing to this supply of fish from the Conduquinet our fish merchants should not be so exorbitant in their charges.

Smith; Treasurer—Sergeant William Vann and Chaplain—Rev. W. O. Corman. Two members, Lieut. Thayer and Sgt. Biel, were chosen to act in conjunction with the executive committee.
