Q. — Was there not any arrangement for the division of commissions arising & Go., who testified that the bus the house was done with Messrs. Hart-rauft and MacVey,-as-private individunder those claims? uals. That they l ad no reason to supnose that any public funds were used by those officers, who at all times paid the regular rate of six per cent for accom-modations to them as private individ-A.-None, directly or indirectly, to my knowledge, in the whole scope of the government, from the chief executive down to the lowest of the Commonvealth. . . . . Q.-Was there any investment or wealth. The committee then proceeded to the executive chamber, but owing to the illness of his child, his excellency had not yet reached his olice. Thence they proceeded to the office of the secretary of agreement by which any state received any of this money? A.—None, to my knowledge. Q .--- Was there, or was there not, any Francis Jordan received them in his usual gentlemanly-manner. After a few friendly words. Colonel Jordan was sworn. Mr. Wallace led the questions: With there, of whit there not, any money's directly or indirectly, secured for your beneAt.
A.—None, whataver.
Q.—Do you know.what Mr. Evans did with his money, to your knowledge?
A.—No, sir; not, one dollar, not one sized time. "Q,-You are Secretary of the Com-Q.-Yos, sir. Q.-Were you such in 1867? -I was such in 1867. Q.—Do you know anything about the elecumstances surrounding the passage of March, 1867? [Meaning the joint

resolution authorizing, the appointment of a special war claim agent.] A.—I have official knowledge of its passage, in the ordinary routine of logis-lation. I do not recollect the date now but I remember the resolution came be-fore me in the ordinary routine of logis-

lation. It came from and was regist by my chief clerk. It came to me in the routine of business and was read by me. According to our rules, if I see any ob-jections to a resolution of bill I note and when Frenched New York he can and when Frenched New York he can them and lay them before the Governor.

with those objections. When I read this resolution it occurred to no that it was deficient in three particulars : First, It did not state what the agent should do with the money when he collected it. that time, Second, It provided for more that it do with the money when he collected it. Second, It provided for no report of the progress of the work, which I inferred would necessarily continue for a consid-erable length of time. And, in the third

erable length of time. And, in the third D. O. Forney and Wien Forney sitting place, there was no security provided in. in the executive chamber. It so hap pince, there was no security province in. In the executive chamber. It so hap-the resolution for the faithful perform-pened that I was very much engaged and they romained there for a consider. I consider mon trusted with public-money: I able length of time. At length they O'Conner, the other Democratic candi-noted these objections on a slip of paper came in [to his office] and said Mr. Evans date, has two Republican opponents.
