THE Illinois Republican State Conven-tion which met last week, was a very Republicans of that State. Hon. Richard J. Oglesby was unanimously nominated for Governor, and free provided and the succeeded of the suc in onsting Col. Gray. in onsting Col. Gray. The Illinois Republican State Conven-tion which met last week, was a very large and enthusiastic gathering of the Greebley a secession candidate. The Republicans of that State. Hon. Richard J. Oglesby was unanimously nominated for Governor, and 'resolution's passed in favor of the nomination of Gen. Grant by the Philadelphia Convention. Illi-majorities for Republicanism next Fall. Hox. JAMES S. RUTAN has been nomi-nated by the Republicans of Beaver (output for a second torm in the Senate. A strong effort was made to defeat him for the nomination, but he carried his county triumphantly, beating his op-

county triumphantly, beating his opadvise every Southern loyalist to load the revolvers that Grant's arrest of North ponent by more than a thousand majority. Washington county is favorable to Mr. Rutan, and this makes his nomi-live in squads of fifty, whom no coward will dare shoot down, and show no prop-orty aftor sunset. Lonely men will be-shot down, and no black man will own a mule forty-eight hours if any rebel knows the fact. For a loyal administranation in the district certain.

GENERAL HARTRANFT. The Pittsburg Morning Marl says : It tion to protect the negro, awe the rebel, and give the workingmen a chanco, Grant's little finger is worth a baker's dozen of Greeleys." is singular with what persistency the Democratic newspapers of this State continue 'their abuse of Gen. Hartranft, This opinion, very candidly expressed the Republican nominee for Governor.

If it is an evidence of anything, it is that shows that Wendell has read Horaco othey fear him, and that he is too strong thoroughly. It exhibits the "Liberal" a candidate for them to successfully con- | candidate as he is. The picture is purtend against: All fair-minded men, of feet.

whatever political opinion, admit that Gen. Hartranft has proved as faithful in JUDGE BLACK has recently been definhis official capacity as he was succesful ing his position on the Greeley question. Ho very forcibly expresses a difficulty in his military career, and that in no respeet is he lacking in fitness for the which will make itself felt as soon as the gubernatorial chair. His opponents Philosopher gets the Baltimore nominacomprise that part of the Demooracy tion, if he gets it at all. The Judge

known as the rebel Democracy, and says: "While I am about it I may as well which regretted the success of the Union which regretted the success of the Union arms; also, a class of political malcon-tents, who, while they claim to be Re-publicans, are sourced because of removal from office, or are influenced by merce-nary motives and want "to be scen" in order that they may play another tune on their personal organs. No man can conther personal organs. No man can on their personal organs. No man can prove anght against the integrity of General Hartranft, and all the maliclous insinuations against him in that respect are libels for which the prosent law is indequate to provide a ponalty. the suspent their plan of operation in-the south in the industries that have mul-the industries of the less likely they are, to susceed it the less likely they are, to susceed it the less likely they are, to succeed it the south are no longer few and feeble.
