pose to elect Horace Greeley to the itigton, for \$25,000, and that after this Presidency under the present condition | contract was made, the President got a of affairs. They will awaken to the fact greater offer for the property, and took that Greeley's success means the restora-it. This is the transaction in which tion of the Democracy to power; that Bowen claims to have been swinit includes the surrender of the entire died out of \$25,000. Now, if he lost South to the unrestrained control of reb- \$25,000 by missing the purchase of the els ; that it brings change into the man- house, he must have been getting it just agement of the financial affairs of the that much under its value. In other words, according to his story, he must nation'; that it will give the Democratic politigans the control of the lower House have got the President into a contract in of Congress, the government of several which he was to cheat him out of \$25,of the most impotrant states of the 000. The man who would insist on North, and that it will take however getting a property for half its value, . from the Republican party, until the bluncannot have a high sense of honor. Then dors and crimes of Democracy shall nearly four years have passed since, and

again bring the country to the verge he has not yet such to recover, but is of anarchy and overthrow. Before going to at the next term. Peorle won't be called upon to cast; need to hear the other side of such a they will story, to set Mr. Bowen down as a knave their a -tes this fall, they will have ample and a liar. • time pread and ponder well the warn-ings w) ch Greeley himself has uttered

within a year, against the restoration of AT a recent meeting of the Republican State Contral Committee, at Harrisburg, Gen. Harry White resigned his position the enouracy to power. When the votes are counted next November. not good and true Republicans on the ticket as Congressman at large, whereupon Gen. Charles Albright, of will 's found in Cumberland, to have can, their ballots for the candidates of Lehigh and Hon. Glenni W. Scofield, of the Bastimore convention. Warren, were nominated. These are N. v. how is it on the other side. There most excellent nominations and will con-

is not . Democrat in this county who tribute greatly to our success. Gen. Altakes o Greeley, except as a necessity. bright is an active Republican, a foreible For 1 or y Republican who has intimated and eloquent speaker, and has great an intention to voie for him, ten Demopopularity in his own section of the State. Judge Scofield has served five crais he veroundly sworn that they would not support him. He is their traditional consecutive terms in Congress and is for, vie terror of their childhood and the justly regarded as one of the ablest men supplication of their maturer life. He in that body.

We rejoice that the ticket has thus has or unced them continuously and venous sely. He has branded their most been perfected, and that we are now in condition to enter the campaign for cher.ingd principles, as the quintessence of I y and infamy. He has told the State officers in earnest. It now remains fullthe concerning their actions and for the Republicans of the State to rally principies, in more offensive forms than in earnest to the support of their candiany other man living ever did. This the dates ; all of whom are eminently quali-Democry have not forgotten nor will fied to fill the positions for which they

h, with-In this,

the same ends, that they compliment each other. When did the Patriot ever before applaud Forney's labors in advancing the interests of the Republican party? When did it ever eulogize his honesty and independence, until his treachery to his party reduced it to the level of the Patriot and harmonized and united their aims? Instead of quoting with pride the laudations of the Patriot and resting upon its defense, Forney should by the profert of them, have been aroused to a sense of his false position and enabled to perceive that its plaudits were only gained by his betrayal of the trust committed to his keeping, and his

lapse from a position. the maintenance of which would have honored him by provoking the censure of the Patriot.

"GRANT OWRS a cottage presented to him by Thomas Murphy, the late col-lector of the port of New York," has. been the constant howl of the Democracy
