Lawrence, Washington . David N. White, Allegheny; W. H. Ainey, Lehigh;

John H. Walker, Erie.

NORTH CAROLINA The election in North Carolina has re sulted in the choice of a Democratic Governor, by a majority of perhaps 1,000; five out of eight members of Congress, and a majority in both branches of the Legislature. This though by no means a desirable result, was not unexpected. Lean ideal of the Democracy, hastens to the American press, a beau ideal of the Democracy, hastens to transh branch of literature. The Republican party having begun the the Canadian frontier and confers with campaign with the gain of Oregon, the robel emissaries and encourages them thus they had the prestige of victory. It is fought for it, a father who gave a son's that, who were the principal access. The enfranchisement of nearly the entire rebel population, by the recent acts of Congress, gave them not only the man who not only was willing to see it of Congress, gave them not only the man who not only was willing to see it of Congress, gave them not only the man who not only was willing to see it of Congress, gave them not only the benefit of the entire rebel vote, but in- broken into fragments, but who actually fused a new life and energy into that participated in the conspiracy formed to cally gave to the Democracy the benefit hundred thousand of her sons into the of nearly the entire strength of what had field to battle for the Union, thousands in former times been the men of influence of whom proved their devotion to it with

the harbinger of a national Democratic his friends and coadjutors No, the peothe harbinger of a national Democratic victory in November, and as an indication of change in, popular sentiment against the Administration. It shows nothing of the kind. The rebul element of that feurful singgle, its sacrifices and re-built. of North Carolina, and of the entire South, never had and never will have permit any true man to vote for a canany affiliation with a Republican administration. Their votes and their influ- by a participation in its crimes. ence will always be east with the Democracy. The numbers and influence of this class gave North Carolina to the to a committee of colored men, advising Democrats, as it has given nearly all the the colored ; cople to vote for Greeley, other States of the South to the same instead of Grant. It is long and labored, party, and will in time make the South as are all the Senator's productions, and a unit for the Democracy. They will is open to the objection that it is like his necessarily for years exert an influence lact speech a piece of special pleading. that cannot be counteracted. In the He goes out of his way to blame the days of slavery, they gradually carried President for not inviting Frederick the whole South into the Democratic Daughtes to dine with the Sam Demingor party, and when power departed from Countil Violers, at the White House afthem, into the repellion. As long as ter their tetum. This is unworthy of day on the Camden and Amboy railroad, they exist, their political tendencies will Summer, and sounds like one of Mayor near Florence Heights, N. J. remain the same, and the Ropublican Bowen's stories. The truth of the matter party will never obtain a sure lodgment is simply that the three Commissioners in the pursuit of its investigations has in any State which cast its fortunes with named in the act of Congress called, unearthed a large amount of fraud. the rebel Confederacy, unless it be in informally, on the President after their States where the colored population pre- return and were invited to remain and which Republican victories are to be with them-consequentia could not zens' ticket.

be invited Mr Summer Sknew The result in North Carolina need give this are could easily have found no alarm nor uneasiness. The States it out, yet he gravely, condemns which the Republican party controlled the President and asks colored men to during the war, give a large majority of vote against him on this account. Arguthe electoral votes. In each of these we ments against Grant must be scarce can point with pride to an administra- when Sumner resorts to this. tion which has given presperity and contentment, and which has received the continuous sanction of the people. ance of a Democratic paper, published These states which gave their votes for udt a hundred miles distant, with the Lincoln, and maintained Republican names of Greeley and Brown at the principles in the darkest hour of our head, twenty-eight of its regular subnational peril, will now rally to the scribers gave notice to "stop my paper." standard of Grant, and in next Novem- This is only a little incident, but it shows ber, achieve the final overthrow of the pretty clearly how big a task the Demo Democracy. cratic leaders have on hand when they

THE Democratic Convention which Bourbon followers, to the support of met in Perry county last week, nomi- Greeley. They will ascertain, long be nated John A. Magee, esq., editor of fore the election, that they have a bigger the Democrat for Congress. This looks clephant on hand than they liave had to somewhat as if Perry county meant to carry since 1860. Well, it is their own carry off the Congressional honors of the funeral. district at the next election, although there are some rumors that this is merely n diversion in favor of Hon. Richard J. Haldeman, who it is strongly suspected victions of duty compel him to support has some further Congressional aspira-Greeley instead of Grant. We presume tions. In Cumberland, although every thing is very quiet on the question, it is cover that he is a trise and patriotic believed he will receive the nomination statesman. Some years ago they were of the county convention, there being no one else spoken of ; and the different candidates for the other positions are evidently making combinations which look toward such a result. Should Mr. Haldeman receive the nomination in this county, and York county present a candidate, it would not require a very shrewd observer of things to predict the

most uncertain things in the world, and there is no telling who may get it. We don't believe Haldeman's chances desperate by any means.

How long is it since the Democratic journals denounced Carl Schurz as a narrow-brained negro-loving fanatic? Since these gentlemen have joined the crusade against Grant, they have suddenly become men of giant intellect and wise, and patriotic statesmen. Has the

[CONTINUED FROM FIRST PAGE.] overwhelming authority. Our jurisprudence was probably on the whole improved by it. My mind certainly was roused, and was always kept ardent and inflamed by collisions. GEN. N. P. BANKS, of Massachusetts, s out in a letter declaring that his coninflamed by collision.

In 1814 I was appointed Chancellor.

The office I took with considerable reluctance. It had had no charms. The our Democratic friends will now disperson who left it was stupid; and it is a curious fact that, for the nine years I was in that office, there was not a single decision; opinion, or dictum of either of pleased to speak of him cas a crazy Yankee funatio, "who was willing to sing, from 1777 to 1814—cited to me, or even suggested. I took the court as if it had been a new institution, and never before known in the United States.

GOLD 1151. It may be well enough to had nothing to guide me, and was left at hotice that gold has tended upward ever since the Baltimore Convention and that the Baltimore Convention and that the Worth Carolina election the since the Baltimore Convention, and that since the North Carolina election the This gave me grand scope; and I was advance has been quite rapid. The elec-

oppressed me very much, but I italk my daily exercise, and my daily delightful country rides among the Cattakill or the Vermont mountains, with my wife, and I kept up my health and spirits. I always took up the cases in their order, and never left one until I had finished it. This was only doing one thing at a time-My practice was first to make myself purfectly and accurately (mathematically ... MARRIED. MORRETT-BROOKLIN.—On the thirtieth of July, in Oarlisle, by, Rev. J. Montgomery, Albert Morrett, of Oumberland county, to Magle Brooklin, of Bennington county, vermont.

perfectly and accurately (mathematically accurately) acquainted with the facts. It was done by abridging the bill and the nswers, and then the dispositions; and, the time I had done this slow and tedious process, I was master of the case, and ready to decide it. I saw where justice, law, and the moral sense decided the case half the time. And then I sat down to search the authorities until I had

thouse, in the borough of Carlish, on Friday, the tenty-third day of AUGUST, 1872, at ten c'clock a. in, the following described real estate, to wit:

All. that certain lot of 'ground situated in the townish of Newton County of Cumberland, and State of Pennsylvania, and bounded as follows: Beginning at a post on Depot atreet, thence North sive en and three quarter degrees, East thirty-three feet and two inches to a post, thence South serventy-live and one-fourth degrees, East one hundred and one-fourth degrees, East one hundred and one-fourth degrees, West forty-four feet to a post, there and one-fourth degrees, West forty-four feet to a post, thence North seventy-three and one-fourth degrees, West forty-four feet to a post, thence North seventy-three and one degrees, West atty six feet to the place of beginning. Beized and taken in execution as the property of M. T. Walker and Martha A. Walker his wife in her right ALSO, all that certain tract of hand situated in Middlesx comship, Cumberland county, P. John Neiswanger, John Elliot, on the East by Jesse Zeigler, and John Acobs, on the South by Conodog animet creek, on the West by Samuel Zeigler, Abm. P. Zeigler, containing 169 acres more or 1082 of State Lund, having thereon erected a double Two-S ory Brick Mansion House, also, a frame and brick teaunt hoties and log stable. Seized and taken in execution as the property of John Schell.

Sation, Cambelland county, Pa., bounded on the Sat by an alley acre, and the North by Mary Slpe, on the North by 2-Rells, and on the West by an alley, containing 30 feet, by 110 feet, more or loss, having thereon erected a Two-Story Frame House and frame stable. Seized and taken in execution as the property of Daniel Olive.

ALSO, a lot of ground situated in the borough of Carlisle, Cambelland county. Pa., bounded on the Newth by Sat Story Frame House and frame stable. Seized and taken in execution as the property of Daniel Olive. American correspondent.

American corresponden works, and always consulted him when applicable. I read the Edinburgh and Quarterly reviews and American Regis-ters ab initio and thoroughly, and voy-ages and travels, and the Waverly Novels, etc., as other folks did. I have

At the very moment he held a high office, that of U. S. Senator, and sworn to defend and uphold the constitution of his country, he is found betraying that country and violating his oath of office, by acting in concert with its enemies and plotting with them for the disimember of the our glorious Union, by recognizing the independence of the rebel Coufedracy.

In 182 live as I had been accustomed. My beldest daughter was prosperously setfled in New York, and I resolved to move away from Albany, and ventured to come down to New York, and be chamber counsel; and the Trustees of Columbia College immediately tendered me again the old office of Professor, which had been dormant from 1795. It had no salary, but I must do solventing for a living, and I undertook (but exceedingly against my inclination) to write and deliver law lectures. In the two characters of chamber counsel and college lecturer, of chamber counsel and college lecturer, I succeeded by steady perseverance be-yond my most singuine expectations; and, upon the whole, the five years I have lived here in this city since 1928, have heen happy and prosperous. I have in-troduced my son into good business, and I live aside of my daughter, and take excursions every summer with my wife and daughter all over the country. I have been twice with them to Canada, and we go in every direction. I never had better health. I walk the Battery uniformly before breakfast. I give a

uniformly before breaklast. I give a great many written opinions; and, having got heartily tired of lecturing, I abandoned it, and it was my son that pressed me to prepare a volume of the lectures for the press. I had no idea of publishing them when I delivered them. I wrote a new one volume and published it, as you know. This led me to remodel and enlarge and you the third volume and enlarge, and now the third volume will be out in a few days; and I am obliged to write a fourth to complete my

plan.
My reading is now, as you may suppose, quite desultory; but still I goad with as much zest and pleasure as ever. I was never more engaged in my life than during the last summer. I accepted the trust of Receiver to the Franklin (insolvent) Bank, and it has occupied, and perplexed, and vexed me daily; and I had to write part of the third volume, and search books a good deal for that and search books a good deal for that very object, and I have revised the proof sheets. If I had a convenient opportunity, (I would send the third volume out to you.

Your suggestion of an equity treatise

contains a noble outline of a great and useful work; but I can not and will not enter on such a task. I have much more o lose than to gain, and I am quite tired of equity law. I have done my part. I choose to live now at my ease, and to be prepared for the approaching infirmities f age. On reviewing what I have written,

had thoughts of burning it. I speak of myself so entirely, and it is entirely against my habit or taste. But I see no ther way fairly to meet your desires. I am with great respect and go

vishes,
Your most obedient servant, JAMES KENT. -Southern Law Review for July.

Farming Implements. MPLEMENTS FOR HARVEST! #9: We offer to Parmers for the coming season the following well-known and popular lamming Implements, along with other articles needed by all The Sprague Mower, which is now generally admitted to be the simplest, most complete and dicient single Mowing Machine in the county. We said several of these mower-last season and they gave perfect satisfaction Price, 5300-60. THE NOVELTY HAY RAKE,

worked either by hand or on the self-acting princi-ple. The reputation of this rake is well established. Every facility who is not already supplied, should buy a Novelty Hay Jake. The Original and Improved HARPOON HAY FÓRK, with improved GRAPPLB, PULLEY, &c. This has Fork, in connection with the Grapple and Pulley, is undoubtedly one of the most complete machines in the market for landiding bay. THE CUMBERLAND VALLEY

THRESHER AND SEPARATOR. THRESHER AND SEPARATOR.

The improvements we have made in the construction of this Thresher since last season, warrant us in offering in the construction of the strip test microscopic with the linesheet, with the flores Power which the work higher with the machine, four horses are calculated to do the work, where six and eight arcrequised in mainy other machines. Compared with others the price is 80 low that every thritty farmer may readily become the owner for himself 9 a Cumberland Valley Thresher and Separator for permanent use on high barn floor. Farmers would do well to call and examine it.

THE CARLISLE CIDER MILL made at our establishment, has 'ton' the highest recommendations from all who have used it. It both grinds and crushes the apples. It therefore requires lighter necessaries and 'produces the largest quantity of cider from the amount of apples put in. The Willoughby Patent GUM SPRING GRAIN FRILL

is so well known to farmers in most parts of Pennsylvania, that we need not speak at any length of its merits. We now build it with or without Guano Attachment, and with the shovels so attached as to work in straight rank or z jezag, which over is preparent. The Gum Tubes are also put on by our new partent treasument, which gives then creater deviloitity and prime attachment to the Peill. Regood farmer can afford to do without the Willoughby Gum Spring Dill. We have always on hand a simply of Fodder Cutters,

Corn Shellers. fall sizes and a variety of other implements needs of armers, at the lowest prices
