MEIGHL'S INDIAN

VEGETABLE PILLS.

VEGETABLE PILLS.

This extraordinary medicine is founded upon the principle that the human frame is subject to ONLY ONE DISEASE, viz: corrupt humors, which, when floating in the general mass of circulation, are the cause of all kinds of Fevers, but when lodged in the various parts of the body, give rise to every malady incident to man.

Let it be remembered that the human body and Wight's Indian Vegetable Fills are mutually adapted one to the other, and that by them all morbid and corrupt humors (the cause of disease) can be entirely eradicated, and this in so easy and natural a manner, that while they every day give ease and pleasure. Disease of every name is Literally Driven from the Body.

mission.

New flesh has supplied the place of the deep New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used—in fact the Panacca alone, has wrought this wonderful change.

A BLESSED, BLESSED AND HEAVENLY **MIRACLE OF MIRACLES!!**

ON the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institute of France. The aged, white headed President, his head bare, his arm outstretched, his face radiant with smiles, (for science was triumphant,) and his voice with gratulatory tone, delivered the following report:

port:
"We are astounded at this singular prepaport:

"We are astounded at this singular preparation. Where indeed will science stop!—
Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the President, who had used it, in proof of his assertion.)

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of
