HANCE'S COMPOUND SYRUP OF HOARHOUND. Take time by the forelock, is a piece of advice which is suitable to all seasons, and applicable to all purposes; though there is no instance in which this piece of advice is more valuable, than to persons who have a cough or cold, for if they neglect what may appear to them very trifling in the beginning, it may lead to inflamation of the lungs, and finally consumption! To all who have a cough, we would say, procure a bottle of Ilances' Compound Syrup of Hoarhound. The medicine is pleasant to take and it may save you years of suffering.

A BLESSED, BLESSED AND HEAVENLY

Miracle of Miracles!! ON the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institute of France. The aged, white headed President, his head bare, his arm outstretched, his face radiant with smiles, (for science was triumphant,) and his voice with gratulatory tone, delivered the following report:

gratulatory tone, delivered the following report:

"We are astounded at this singular preparation. Where indeed will science stop!—
Here we have a preparation made in the form of a beautiful piece of roap, which we know by actual practice, to cure every cutaneous cruption, every disfigurement of, and even discolored skin! Where will its magic and sugular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the President, whe, had used it, in proof of his assertion.)

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of

One of our subscribers, Mr. H. He also informs us that he has tried its effects on his femaleslave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Eltham, a painter, in Jersey City, was cured of carbuncles, and pimples, which he was afflicted with for many years, by part of a cake of Jones' Italian Chemical Soap.
