MORRIS'S PATENT DOOR PLATES.

A NEW article far superior to any thing of the kind ever yet offered to the public, and which for simplicity, durability and cheapness, is not equaled by any of the old ones now in use.

The advantages these plates have over the old engraved ones, is that they will never turn black or tarnish like those made of silver or brass. They need no scouring with chalk every week—they will always retain their fine lustre by simply rubbing them over occasionally with a silk handkerchief or piece of buckskin, and wiping off the dust that may adhere to the surface. The name in these plates may be changed for a trifle—the letters which compose it, being moveable—and any other name can be inserted in its stead, by sending the plate to the owner of the patent (Henry Seitz, of Marietta, Lancaster County, Pa.) which is another great advantage over the old engraved ones,—which cannot be changed.

Any person desiring of such a plate, can obtain one by addressing Henry Seitz, Marietta, by letter, giving the name and place of residence correctly. These plates differ in price according to number, as follows: No. 1, price \$3.00; No. 2, \$3.50; No. 3, \$4.00; No. 4, \$4.50; No. 5, \$5.00; No. 6, \$4.50; No. 7, \$5.00.

Nelson Maloney is my only authorized travelling agent to exhibit and sell these plates in Lancaster county. He can be seen at John Michael's tavern, in Lancaster, when in the city, or information obtained, when absent, when he will return. He carries a sample of each kind with him, which enables him to give every satisfaction.

HENRY SEITZ, of Marietta, Owner of Patent for Lancaster county. Sept. 23, 1847.

ATTEND TO YOUR COUGH.

WELCH'S NATIONAL CIRCUS!
FROM THE OLYMPIAN AMPHITHEATRE, PHILADELPHIA.

THIS splendid equestrian company composed entirely of STAR PERFORMERS, will exhibit under their splendid Water Proof Pavilion, commodiously furnished for the comfortable reception of 3000 persons, at Columbia, on Saturday, October 2nd—afternoon and evening—admission, 25 cts.

Independent of Willis's celebrated Brass Band, the company will be saluted, on their arrival, by Mr. Wallace's String Band, playing airs from the most popular Operas.

In the evening the pavilion will be illuminated by the patent electric Gas, invented by B. F. Canton, Esq. of the United States Navy Department, Washington. It is entirely a new method, giving a superior light; free from all noxious effluvia, the fault of all other attempts, and casting a light scarcely less brilliant than the noonday sun.

Constituting the company will be found Mr. J. G. Cadwallader, who will ride his much admired acts of the Russian Emoy, the Terrors of a Sorcerer of Siam, and the beautiful episode of the Spirit and his lost wing, on 2, 3, and 4 horses.

Madame Louisa Howard, the great NATIVE FEMALE EQUESTRIAN, whose admirable personations, on a single horse charm and delight all who behold her, justifying public opinion regarding her, the high position she has so successfully held amidst a host of rival stars.

CLOWN—Dun Rice, the "mirth-provoking Dan," whose infinite JEST and FUN unstained by rudeness and vulgarity, places him far beyond the reach of imitation.

Mr. Horace Nichols, the Prince of Ring Masters. The River's Family, whose union of talent is without a parallel in the world. Charles Rivers the most finished artist in his arrangement and execution of scenes and gymnastic groups. Frederick Rivers presents every kind of Foreign acts, that can surprise by novelty, and Master Richard Rivers (the "inimitable") will perform his act on a single horse, as performed before the President and Senators of the United States, and by all present declared the most perfect union of WONDER AND GRACE the world ever knew.

Master T. Neale, who has acquired the rare art of riding, and executing the most difficult feats backward, on a single horse.

Mr. Wm. Stout will ride his fine classic acts, on 2, 3, and 4 horses, forming a pyramid of five persons, whom he will bear above his horses at lightning speed.

Signor Germani, the mighty Italian equestrian will ride his incredible acrobatic scenes, introducing, "Les batons du diable," and his Golden Bedouins, &c., &c. He will also bring forward his two wonderful dogs, whose feats are without equal in the Arena.

Mr. W. Howard, the Spanish scenic rider, and great representative of the Red Man of the Forest.

Mr. Charles Foster, who rides a great dramatic scene, and a Grand Military act, entitled

HONOR TO OUR HEROES.

Or All for our Country, in which by the aid of correct costume, he represents the Chief Patriarch praying for his country, GEN. ZACK TAYLOR, at Monterey, Hiram Stiff, a yankee volunteer, Santa Anna, the commander of Mexico, concluding with the SOLDIER OF FREEDOM, bearing the memorable resolve, "GEN. TAYLOR NEVER SURRENDERS."

Mons. Derivous, of the "Cirque Olympique," will introduce the Arabian Dancing Maids, "Haidoues," whose beautiful dances far surpass anything of the kind ever brought before the public. Also the comic ponies, Romeo and Juliet, will, by their comic dinner scenes, leaps and counter leaps, prove their instinctive bent for drollery.

LParents and guardians may with confidence bring their families, or under the watchful care of the proprietor, nothing approaching a shade of vulgarity can find its way among the choice representations of the Arena.

The afternoon and evening performances entirely varied. Sept. 18—ts
