DR. CULLEN'S INDIAN VEGETABLE PANACEA.

READ the following Certificate in favor of the Extraordinary Virtues of DR. CULLEN'S INDIAN VEGETABLE PANACEA.
SCOTLAND. Messrs Rowand & Watson—Gentlemen—Feeling deeply grateful for the extraordinary cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I cheerfully turn you with a short history of my case.
About seven years ago, [when only eleven years old] I was attacked with Scrofula, which increased in ravages, till my throat was filled with ulcers; the bones of my neck laid bare; my palate destroyed, and a large piece of one of the nasal bones carried away. My head was also so much diseased, that in drinking, the tea or coffee would frequently pass out of my ear! A mass of something which the Doctors called a tumor came from my nose.
I was under the care of physicians of the highest distinction in this city, and at one time pronounced cured, and by request attended a medical lecture, where my case, together with the method of cure, was explained to the students. The Lecturer said, "You are now well, but if the disease should return, you cannot live long, as it would soon destroy your wind-pipe."
I did not believe myself cured at the time, as I had much distress in my head, and other disagreeable feelings; and after a time the ulcers re-opened. In January, 1845, my mother called with me upon Dr. Nutters for advice. He said I was a very sick girl, and said it was doubtful whether I would ever get well; if ever, it would be a long while. The disease grew so much worse, that the physician who then attended me, said he could see my wind-pipe! My face was also swollen, highly inflamed, and very painful, and the Doctor said ulceration was inevitable!
I was in this condition in January last when I commenced taking your "Dr. Cullen's Indian Vegetable Panacea." The inflammation was soon removed, and the dreaded ulceration in the face prevented! I am now well! I have no ulcers! no pain, or any disagreeable sensation in my head, and now feel that I am cured. I shall be happy to give any further information on the afflicted who take the trouble to call upon me at my father's house, West Spruce between Beach and Willow Streets, opposite Spackman's Factory.
Signed, CHRISTIANA SANDS,
City of Philadelphia, 22.

This seventh day of April, A. D. eighteen hundred and forty-six, before the subscriber, Mayor of the said city, personally appeared Christiana Sands, who being duly sworn, deposes and says, that the facts set forth in the foregoing affidavit are strictly true in every particular.

NEW COLUMBIA TEA AGENCY
FOR THE SALE OF THE SUPERIOR TEAS OF
Jenkins & Company,
TEA DEALERS, PHILADELPHIA.
THE Subscriber has taken the Agency for the sale of those excellent Teas—has received and will be kept supplied with a full assortment of Greens and Blacks of the various kinds and qualities; and which it is confidently believed will, on trial, speedily take the preference in this community over all other Teas. They are in neat packages of 1/2, 1, and 1 lb. each, labelled with their name, the kind of Tea and price, with a metallic seal as well as paper envelope for preservation of the quality, having full weight of Tea in each.
One of the Partners of the concern (who selects the Teas) learned this difficult business of the Chinese themselves, having resided among them many years, at Canton, engaged in the Tea trade. Possessing this extraordinary advantage, the ability of the House is unquestionable, and may be relied upon for furnishing, not only safe, but also, the most delicious Teas, and at the lowest possible prices.
At this period, when the public taste is undergoing a change from Green to Black Teas, it may be interesting to know that the Chinese universally drink Black Teas, considering the Greens fit only for foreigners, GUILFORD G. CLAIBORNE, Post Master, Columbia, Oct. 2d.—3m.

CERTAIN and effectual cure for Ague and Fever, Dumb Ague, Chills or Intermittent Fever.
Unrivalled and Unequaled.
The general causes that produce ague and fever, are the miasmata of exhalation arising from swamps, marshes, rivers, canals, &c., acted upon by heat, warm days, succeeded by cold nights. The tendency is to be followed by sudden changes in the temperature, poor diet, cold fatigue, intemperance, grief, anxiety, debility, exposure to cold, lying in damp rooms, &c., &c., &c. All this may be remedied by purchasing one or two bottles of Mackenzie's Febrifuge.

MORRIS'S PATENT DOOR PLATES.
A NEW article far superior to any thing of the kind ever yet offered to the public, and which for simplicity, durability and cheapness, is not equalled by any of the old ones now in use.
The advantages these plates have over the old engraved ones, is that they will never turn black or Larnish like those made of silver or brass. They need no scouring with chalk every week—they will always retain their fine lustre by simply rubbing them over occasionally with a silk handkerchief or piece of buckskin, and wiping off the dust that may adhere to the surface. The name in these plates may be changed for a trifle,—the letters which compose it, being moveable,—and any other name can be inserted in its stead, by sending the plate to the owner of the patent (Henry Selz, of Marietta, Lancaster County, Pa.) which is another great advantage over the old engraved ones,—which cannot be changed.
Any person desirous of such a plate, can obtain one by addressing Henry Selz, Marietta, by letter, giving the name and place of residence correctly. These plates differ in price according to number, as follows: No. 1, price \$3.00; No. 2, \$3.50; No. 3, \$4.00; No. 4, \$4.50; No. 5, \$5.00; No. 6, \$4.50; No. 7, \$5.00.

Nelson Maloney is my only authorized travelling agent to exhibit and sell these plates in Lancaster county. He can be seen at John Michael's tavern, in Lancaster, when in the city, or information obtained, when absent, when he will return. He carries a sample of each kind with him, which enables him to give every satisfaction.
HENRY SELZ, of Marietta, Owner of Patent for Lancaster county.
