RUMPLE & HESS.

CIRCISSIAN OIL,

For the Preservation, Beauty, Growth and Restoration of the Hair.

THIS valuable preparation excites the scalp to a new and healthy action, cleanses it from scurf and dandruff, prevents the hair from falling off or becoming prematurely gray, cures those eruptive diseases which often appear upon the head, and in a majority of cases produces a fine growth of new hair. It also gives the hair a rich and beautiful appearance, unacquainted by anything of the kind. In addition to all its usefulness as a preserver and beautifier of the hair it removes all unnatural harshness and dryness of the hair, which often precede its loss, and should never be permitted to continue without using remedies. For the toilet, Ladies and Gentlemen will find this an admirable article. It gives a luscious, silky, soft and fine texture to the hair and entitles the possessor to the beholders with admiration and almost with envy. All this for only 25 cts. a bottle. For sale by oct9-17-tf

DR. CULLEN'S INDIAN VEGETABLE PANACEA.

READ the following Certificate in favor of the Extraordinary Virtues of DR. CULLEN'S INDIAN VEGETABLE PANACEA.

SIGNATURE: A. Messrs. H. Wood & Walter—Gentlemen—Selling deeply grateful for the extraordinary cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I cheerfully turn up with you a short history of my case.

About seven years ago, (seven or eight years ago) I was attacked with several bilious increased in its ravages, till my throat was filled with ulcers; the bones of my neck laid bare; my palate destroyed, and a large piece of one of the nasal bones carried away. My head was also much diseased, that in drinking, the tea or coffee would frequently run out of my ear. A mass of something which the Doctors called a tumor came from my nose.

I was under the care of physicians of the highest distinction in this city, and at one time pronounced cured, and by request attended a medical lecture, where my case, together with the method of cure, was explained to the students. The Lecturer said—You are now well, but if the disease should return, you cannot live long, as it would soon destroy your wind-pipe.

I did not believe myself cured at the time, as I had much distress in my head, and other disagreeable feelings, and after a time the ulcers re-opened.

In January, 1845, my mother called with me upon Dr. Mutters for advice. He said I was a very sick man, and said it was doubtful whether I would ever get well; if ever, it would be a long while. The disease grew so much worse, that the physician who then attended me, said he could see my wind-pipe! My face was also swollen, highly inflamed, and very painful, and the Doctor said ulceration was inevitable!

I was in this condition in January last when I commenced taking your "DR. CULLEN'S INDIAN VEGETABLE PANACEA." The inflammation was soon removed, and the dreaded ulceration in the face prevented! I am now well! I have no ulcers, no pain, or any disagreeable sensation in my head, and now feel that I am cured. I shall be happy to give any further information to the afflicted who will take the trouble to call upon me at my father's house, West Spruce between Beach and Willow Streets, opposite Spackman's Factory.

Signed, CHRISTIANA SANDS, City of Philadelphia, ss.

This seventh day of April, A. D. eighteen hundred and forty-six, before me the undersigned Mayor of the said City, personally appeared Christiana Sands, who being duly sworn, deposes and says, that the facts set forth in the foregoing affidavit are strictly true in every particular.

In testimony whereof, I have hereunto set my hand and fixed the corporate seal of the said City, on the day and year before written.

(L. S.) JOHN SWIRT, Mayor.

We hereby certify, that the above statements of our daughter are true in every particular.

Jenkins & Company,
TEA DEALERS, PHILADELPHIA.

THE Subscriber has taken the Agency for the sale of those excellent Teas—has received and will be kept supplied with a full assortment of Greens and Blacks of the various kinds and qualities; and which it is confidently believed will, on trial, excite the preference in this community for all other Teas. They are in neat packages of 1, 1/2, and 1 lb. each, labeled with their name, the kind of Tea and price, with a metallic seal as well as paper envelope for preservation of the quality, having full weight of Tea in each.

One of the Partners of the concern (who selects the Teas) learned this difficult business of the Chinese themselves, having resided among them many years, at Canton, engaged in the Tea trade. Possessing this extraordinary advantage, the ability of the House is unquestionable, and may be relied upon for furnishing, not only safe, but also, the most delicious Teas, and at the lowest possible prices.

At this period, when the public taste is undergoing a change from Green to Black Teas, it may be interesting to know that the Chinese universally drink Black Teas, considering the Greens fit only for foreigners. GULLYARD G. CLAIRBORNE, Columbia, Oct. 24—3m. Post Master.

MORRIS'S PATENT DOOR PLATES.

A NEW article far superior to any thing of the kind ever yet offered to the public, and which for simplicity, durability and cheapness, is not equalled by any of the old ones now in use.

The advantages these plates have over the old engraved ones, is, that they will never turn black or tarnish like those made of silver or brass. They need no scouring with chalk every week—they will always retain their fine lustre by simply rubbing them over occasionally with a silk handkerchief or piece of buckskin, and wiping off the dust that may adhere to the surface. The name in these plates may be changed for a trifle,—the letters which compose it, being movable,—and any other name can be inserted in its stead, by sending the plate to the owner of the patent (Henry Seitz, of Marietta, Lancaster County, Pa.) which is another great advantage over the old engraved ones,—which cannot be changed.

Any person desirous of such a plate, can obtain one by crossing Henry Seitz, by letter, giving the name and place of residence correctly. These plates differ in price according to number, as follows: No. 1, price \$3.00; No. 2, \$3.50; No. 3, \$1.00; No. 4, \$1.50; No. 5, \$3.50; No. 6, \$4.50; No. 7, \$5.00.

Nelson Maloney is my only authorized traveling agent to exhibit and sell these plates in Lancaster county. He can be seen at John Michael's tavern, in Lancaster, when in the city, or information obtained, when absent, when he will return. He carries a sample of each kind with him, which enables him to give every satisfaction.

HENRY SEITZ, of Marietta, Owner of Patent for Lancaster county.

TO THE AFFLICTED.

If you are sick, it makes no difference under what disease you may labor, or if you have the

FEVER AND AGUE,

and have tried a great many things to cure it, and they have all failed, another failure, and you still continue to have the Chills and Fever, until you have shook nearly all the flesh off of your bones, and have become almost a skeleton, your strength gone, and your spirit low, do not conclude that there is no cure for you, but come to the

HERB DOCTOR,

at Marietta, two doors west of the Brew House and get some of his *Fever and Ague Medicines*. If you use this medicine you may rely upon their efficacy. It is impossible for them to fail. It is astonishing what cures these Indian Herb Medicines are daily performing.

† The medicine is neatly put up with full directions for its use. If taken according to the directions and does not effect a cure the money will be refunded.
