### A BLESSED, BLESSED AND HEAVENLY

MIRACLE OF MIRACLES!! ON the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institute of France. The aged, white headed President, his head bare, his arm outstretched, his face radiant with smiles, (for science was triumphant.) and his voice with gratulatory tone, delivered the following report:

gratulatory tone, delivered the following report:

"We are astounded at this singular preparation. Where indeed will science stop!—
Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alske under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the President, who had used it, in proof of his assertion.)

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of

From the New Orleans Sentinel, October, 1814.

One of our subscribers, Mr. H. Leonard, informs us that he has been cured of old, scaly Salt Rheum, of eighteen years standing, on his beard, fingers, and hands, by a cake of an article advertised lately—we speak of Jones' Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, much marked with sun spots, and he found in two weeks her skin much clearer and whiter.

James Eltham, a painter, in Jersey City, was cured of carbuncles, and pimples, which he was afflicted with for many years, by part of a cake of Jones' Italian Chemical Soap.

Persons in purchasing this must always ask for Junes Italian Chemical Soap; and perhaps, as many who have been cheated with counterfeits, will be too much discouraged to try the genuine, we say to such, try this once—you will not regret it: but always see that the name of T. JONES is on the wrapper. Sold only in New York at 82 Catham Street, Sign of the American Eagle. Price, 50 Cents a Cake. For sale by R. WILLIAIMS.

# Vegetable Universal Pills

Are a strengthening purgative and a purifying Tonic.

more than realised by the success of Dr. Le Roy's Vegetable Universal Pills on this side of the Atlantic. Never did a medicine spring into such immediate popularity. In less than three months eighty thousand boves have been disposed of; and certificates of cures performed by them received from upwards of four hundred persons. The cures embraced a great number of diseases but those which predominated were Billious Fever, Colic, Habitual Custiveness, Dysmiary, Loss of Appetite, Flatulence. Worms and Lowness of Spirits. All persons who take them agree that they are far superior to every other medicine they had used, in the mildness the energy, and the efficiery of their action; for though they produce neither gripe nor nauses, they act upon the IIE hopes of the American agents are far the efficiency of their action; for though they produce neither gripe nor nause, they act upon the secretions with great directness, force and rapidity; and as a purgative leave nothing to be desired. But their great peculiar excellence, and that which distinguishes them from all other purgatives is, that thair operation is followed by no reaction.—Their unrivalled purifying and purgative properties, for which they are indebted to the essence of Sar-aparilla, and other ingredients, being controlled by their highly tonic virtues derived from the extract of Wild Cherry, they do not strain the digestive organs into action, as is the mode of operation with other catharties, but on the contrary strengthen them into action. Thus all other purgetive medicines produce more or less subse-Fy strength in them into action. Thus all other purgitive medicines produce more or less subsequent costiveness, and sluggishness of the gastric juice, while Dr. Le Roy's Pills leave all the machinery of the system full of life activity, and the boards open and natural.
