A BLESSED, BLESSED AND HEAVENLY MIRACLE OF MIRACLES!!

On the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institute of France. The aged, white-headed President, his head by a single stroke stretched, his face radiant with smiles, (for science was triumphant) and his voice with gratulatory tones, delivered the following report: "We are astounded at this singular preparation. Where indeed will science find here a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement, and even discolored skin? There will its magic and singular power be seen. The yellow, the red, the yellow-red of the face, and the red mark of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful; and of changing the color of dark, black, or brown hair, into a pure, shining, and bright white, as smooth and soft as an infant's, and in fact every kind of eruption and disfigurement. Read these certificates: From the New Orleans Sentinel, October, 1841: "One of our subscribers, Mr. H. Leonard, informs us that he has been cured of a disease, which, for eighteen years, standing on his beard, fingers, and hands, by a cake of soap, which he had used. We speak of Jones' Italian Chemical Soap. He also informs us that he has tried its effects on his female slave Rose, who has marked with sun spots, and he found in two weeks her skin more clear and whiter. James Elliman, a painter in Jersey City, was cured of carbuncles, and pimples, which he was afflicted with for many years, by part of a cake of Jones' Italian Chemical Soap. Persons in purchasing this must always ask for Jones' Italian Chemical Soap; and perhaps, as many who have been cured by the counterfeits, will be too much discouraged to try the genuine, we say to such, try this once - you will not regret it; but always see that the name of T. JONES is on the wrapper. Sold only in New York at 21 Canal Street, Sign of the American Eagle. Price 25 cents a cake. For sale by R. WILLIAMS, Columbia, Aug. 7, 1847-6m.

Jones' Spanish Lily White. It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, adabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and supple, and removing all yellow, brown, and other spots. It is also a powerful skin restorative, and restores the skin to its natural color and texture. It is also a powerful skin restorative, and restores the skin to its natural color and texture. DR. LE ROY'S Vegetable Universal Pills Are a strengthening purgative and a purifying Tonic. THE hopes of the American agents are far more than realized by the success of Dr. Le Roy's Vegetable Universal Pills on the side of the Atlantic. Never did a medicine spring into such immediate popularity. In less than three months eighty thousand boxes have been disposed of; and certificates of cures performed by them received from upwards of four hundred persons. The cures embraced a great number of diseases; but those which were cured were Biliousness, Fever, Colic, Habitual Constiveness, Dysentery, Loss of Appetite, Flatulence, Worms and Lowness of Spirits. All persons who take them agree that they are superior to every other medicine they had used, in the mildness of the energy, and the efficacy of their action; for though they produce neither griping nor nausea, they act upon the secretions without great distress, force and rapidity; and as a purgative leave nothing to be desired. But their great peculiar excellence, and that which distinguishes them from all other purgatives, is, that their operation is followed by no reaction. Their unrivaled purgative and purifying properties, for which they are indebted to the essence of Sarsaparilla, and other ingredients being combined by their highly tonic virtues, derived from the extract of Wild Cherry, they do not strain the digestive organs into action, as is the mode of operation with other cathartics, but on the contrary strengthen them into action. Thus all other purgative medicines produce a more or less subsequent costiveness, and a derangement of the gastric juice, while Dr. Le Roy's Pills leave all the machinery of the system full of life activity, and the bowels open and natural. Price 25 cents per box. Agents for Columbia - R. WILLIAMS, W. A. LEADER, Feb. 6/47-ly

Ladies are Cautioned Against Using COMMON PREPARED CHALK.

It is not aware how frequently injurious it is to the skin; how coarse, how yellow, how sallow, yellow, and unhealthy the skin appears after using prepared chalk. Besides it is injurious, containing a large quantity of Lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lily White. It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, adabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and supple, and removing all yellow, brown, and other spots.
