A BLESSED, BLESSED AND HEAVENLY MIRACLE OF MIRACLES !!

ON the 4th of August, in the year 1843, a singular scene occurred in the Royal Sci-entific Institute of Fiance. The aged, white hended President, his head bare, his arm out-stretched, his face radiant with smilles, (for science was triumphant,) and his voice with gratulatory tone, delivered the following re-

gratulatory tone, denvered the following re-port: "We are astounded at this singular prepa-ration. Where indeed will science stop!-Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure et ery cutaneous eruption, every disfigurement of, and even dis-colored skin! Where will its magic and sin-gular power cense? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skiin, and making it white and beautiful and of changing the color of dark, or black, or brown skin.' (Here several persons were brought forward by the President, who had used it, in proof of his assertion.) There are probably few persons of intelli-gence, who, after reading the above, will doubt the qualities of Warner? Every Changing Change Compared

Those Who have been Deceived With MOCK PRETENDED HAIR PREPARATIONS Should read the following statements of respectable persons.

To those whose hair is gray, or falling off and weak at the roots: I hereby certify that my hair was turning gray and falling off, and that since I have used Jones' Coral Hair Restorative it has entirely ceased falling, is growing fast, and has a fine, dark look.
