Besides it is injurious, containing a large quantity of Lead! We have prepared a beautiful vegetable article, which we call

A BLESSED, BLESSED AND HEAVENLY

MIRACLE OF MIRACLES!!

N the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institute of France. The aged, white headed President, his head bare, his arm out stretched, his face radiant with sniles, (foscience was triumphant.) and his voice with gratulatory tone, aclivered the following report:

port:

"We are astounded at this singular preparation. Where indeed will science slop!—
Here we have a preparation made in the form Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and making it white and beautiful and of changing the color of dark, or black, or brownskin." (Here several persons were brought forward by the President, who had used it, in proof of his assertion.)

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of

Jones' Halian Chemical Soap in curing Pumples, Blotches, Salt Rheum, Scurvy, Erysipelas, Sore Heads, Old Sores, Beard and Barber's Itch, Chapped and Tender Flesh, Freckles, Tan, Sunburn and changing dark Sunburn or Yellow Skin to a pure clear
