IF The attention of our readers is directed will be found highly interesting. It will be as soon as we learn them. seen that the Hungarians continue successful against the combined powers of Russia and Austria. They fight with the energy and des peration which characterize men battling its the glorious cause of Freedom, and the whole population serve the patriots with heart and hand, bringing food and horses, and intelligence of all the enemies movements. They will be free, it cannot be otherwise. Such energy determination and courage cannot be erushed and their enemies will soon be compelled to grant them their independence. In their patriotic struggle for freedom, they have the prayers and best wishes of every American

Huntingdon County.

The democracy of this county have placed in nomination Col. David Duff as their candidate for Assembly at the approaching election those who shouldered their musket and went to the wars in Mexico, where he proved kimself a good soldier and a brave man. As he would make a good member, we hope the yeomanry of old Huntingdon will manifest their appreciation of his gallant conduct as a soldier, and send him to represent their interests in the next session of the Legislature. A. K. Cor. nyn, the former Representative, is the whigh
