FOR WHAT SHALL MAN LIVE?

BY CHARLES GAVAN DUFFY.

Brother, do you love your brother? Brother are you all you seem? Do you live for more than living? Has your life a law, and scheme? Are you prompt to bear its duties, As a brave man may becom? ...

Anchor in no stagnant shallow— Trust the wide and wondrous sea, Where the tides are fresh forever, And the mighty currents free; ...

You must strive for better guerdons; Strive to do the thing you seem; Be the thing that God hath made you— Channel for no borrowed stream. ...

Fear not on that rugged highway, Life may want its lawful zest; Sunny glens are in the mountain, Where the weary feet may rest. ...

"Simple heart and simple pleasures," So they write life's golden rule; Honor won by simple baseness, State that crowns a cankered fool. ...

Wear no show of wit or science, But the gems you've won and weighed, Theft, like ivy on a ruin, Make the rifts thief and beggar. ...

Shadows deck a sunny landscape, Making brighter all the bright; So, my brother! care and danger On a loving nature light, Bringing all its latent beauties Out upon the common sight. ...

Love the things that God created, Make your brother's need your care; Scorn and hate, repel God's blessings, But where love is, there are there, As the moonbeams light the waters, Leaving rock and sand-bank bare. ...

Thus, my brother grow and flourish, Fearing none and loving all; For the true man needs no patron— He shall climb, and never crawl; Two things fashion their own channel— The strong man and the water-fall. ...

A Lawyer's Trick. A remarkable instance is remembered in Westminster Hall, of a lawyer acting in the face of the jury, at the critical moment of their beginning to consider their verdict. ...

A Jersey Newspaper Dog. We published, a few weeks since, a notice of a dog belonging to Mr. Hawes, of Boston, which goes regularly every afternoon to the office of the Traveller for his master's paper. ...

Education of Farmers. Elisha Whittlesey, in his address before the Agricultural Society of Montgomery county, Md., remarks: "Farmers, and sons of farmers should, qualify themselves for discharging the duties of the various offices under the State and General Government; ...

Education of Farmers. Elisha Whittlesey, in his address before the Agricultural Society of Montgomery county, Md., remarks: "Farmers, and sons of farmers should, qualify themselves for discharging the duties of the various offices under the State and General Government; ...

"Various agricultural publications, some one of which is within the means of every man to procure, contain valuable information. We owe a debt of gratitude to John S. Skinner, your fellow-citizen, for his early and more recent efforts to disseminate information among the agriculturists. ...

The tribute paid to the agricultural publications of our country, by Mr. Whittlesey, has been eminently deserved, and by none more than John S. Skinner. Few men have rendered such service with the pen to the cause of agriculture, as this enlightened and able man. ...

Receipt for Curing Beef and Pork. There being so many applications for our celebrated receipt for curing beef and pork, that we think it will be best publishing it: To one gallon of water, Take one and a half pound salt, ...

The Tower Chapel. One of the most eloquent passages in Macaulay's History is that in which he describes St. Peter's chapel, in the Tower where so many illustrious victims of English tyranny lies buried. ...

The head and body were placed in a coffin covered with black velvet, and were laid privately under the communion table of St. Peter's chapel, in the Tower. ...

last of the proud name of Plantagenet, and those two fair queens who perished by the jealous rage of Henry. Such was the dust with which the dust of Monmouth mingled."

There is, perhaps, no surer mark of folly than an attempt to correct the natural infirmities of those we love. The finest composition of human nature, as well as the finest china, may have a flaw in it; and this, in either case, is equally incurable; though nevertheless, the pattern may remain of the highest value.—Fielding.

CONSUMPTION AND SCROFULA. PURIFY! PURIFY! Life and Health are in the Blood. Not one of the numerous medicines that have been prepared, begins to be as great a medicinal virtue, power and unflinching certainty to cleanse and purify, produce healthy blood, and strengthen and invigorate the whole system, as

BRANT'S INDIAN PURIFYING EXTRACT. This Purifier is the most wonderful and astonishing remedy in the world. No other medicine has effected such most miraculous cures of Scrofula, Fever Sores, Salt Rheum,

Scrofula, Fever Sores, Salt Rheum, Syphilis, and other eruptions and skin diseases, viz: Erysipelas, Sores, Ulcers, Ulcerated Sore Mouth, and Trench Nursing Sore Mouth, Scald Head, Ring Piles, Pimples on the Face, Eczema, ICHTER COLICITY, and many other diseases. THOUSANDS of such diseases have been cured by this PURIFIER, and cured by the use of FOUR TIMES Less Quantity, at Less Cost

of Four-fold than ever such diseases were before or since cured, by Sassaaparilla, or any other remedy. What does a question for those interested to decide, as to economy and health? FIRST—Will it cure my complaint? SECOND—Is it cheaper? THIRD—Will

ONE DOLLAR'S WORTH OF BRANT'S PURIFIER effectively cure FOUR TIMES as much disease as any other medicine. It will, then, be FOUR TIMES CHEAPER than Sassaaparilla. And to prove this we offer one case of cure, out of the most horrid cases of

MOST HORRID SCROFULA. To realize the great power of this medicine as a purifier, read in our Pamphlets, the perfect cure effected on Mr. J. B. Haskin, of Rome, Oneida county, N. Y. He was confined to his bed One Year—was not expected to live twenty-four hours longer—his neck was eaten nearly off, from our ear—a hole was eaten through the Wind-pipe—his entire ear was eaten out—the use of one arm destroyed—his face, as large as a man's hand, had nearly eaten through his side—there were on him, in all,

Twenty Large, Deep, Discharging Ulcers which were ALL CURED, and he restored to health and strength to labor again, by the use of ONLY TWELVE BOTTLES. This wonderful cure is certified to by

Fourteen Respectable Witnesses. And it is the greatest cure the most undoubtedly substantiated of one of the most horrid and most hopeless cases of Scrofula, that has ever been cured since the world was created—completely establishing the great power and certain efficacy of the medicine.

BRANT'S INDIAN PULMONARY BALSAM Possesses all the cleansing and purifying virtues nearly as powerful as any other medicine called "BRANT'S INDIAN PURIFYING EXTRACT"—it also is prepared from several other ingredients, which are peculiarly adapted to, and are essentially necessary, to cure

COUGHS and CONSUMPTIONS. THIS BALSAM heals and cures Ulcers in the Lungs, and discharges internally, as certainly and easily as the Purifying Extract cures and cures externally. It cures all other cases of Consumption out of ten, after all other remedies have failed to do good.

THOUSANDS OF CONSUMPTIONS, and Chronic Coughs, abundantly prove its unflinching efficacy in all diseases of the BREAST, THROAT, AND LUNGS. A DYING WOMAN SAVED! CONSUMPTION CURED! We state this cure to prove the power to save life, when this Balsam is used, even after the person is considered, by physicians and friends, to be in the last stages of disease—usually dying—this Balsam has been used for many years, and in every case, the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLET.

This cure was effected on MRS. ZIBA DYKEMAN, of Hamilton Spa, Saratoga county, N. Y. We can prove beyond a doubt many other almost equally as hopeless, and even mercurial cases of COUGHS and CONSUMPTIONS CURED, which were pronounced incurable by skillful physicians. BRANT'S PULMONARY BALSAM cures Consumption, Coughs, Colic, Spitting of Blood, Bleeding at the Lungs, Pains in the Breast and Side, Palpitation of the Heart, Chronic Inflammation, Dysentery and Summer Complaints, in Children and adults—and ALL

Female Weaknesses and Complaints. No remedy offered to the public has ever been half as certain and effectual in restoring ALL the incidental weaknesses and irregularities of the sex, as BRANT'S PULMONARY BALSAM. It makes no difference whether the derangement be suppression, excess, or other weaknesses. IT REGULATES ALL, by strengthening the system, equalizing the circulation, and soothing and ALLAYING NERVOUS IRITABILITY. See Pamphlets.

CHANGE OF LIFE. From the Girl to the Woman, and the Woman at middle age—the one case is accelerated, and the other, so gradually suppressed, as to prevent any of the fatal diseases that frequently arise in consequence of such change.

LIVER COMPLAINT. See the cure of Dr. Hubbard, of Stamford, Conn., and others. DYSPEPSIA—See T. S. Wilcox, of Attica, Wyoming county, N. Y., and many more.

Nervous Diseases and Derangements cured without fail. DYSENTERY and SUMMER COMPLAINT, in children and adults—and

CHOLERA INFANTUM. No mother need ever mourn the death of her child by Cholera, when she is soothed, if BRANT'S PULMONARY BALSAM be administered. It should be, for such cases, administered in larger than the ordinary doses.

For Sale by Litzinger & Todd, Ebensburg, D. B. Wakefield, Johnstown, Riffe & Humphreys, Summit, Mary Orr, Hollidaysburg, M. Orlady & Co, Williamsburg, E. P.
