

POETRY.

An Exquisite Poem.

We have much pleasure in being able first to present to our readers, the following exquisite poem from the pen of ELIZA COOK. We have seldom or never read anything more entirely beautiful than this which we extract from a late copy of her Journal forwarded to us by the lady herself.—Model Courier.

"There's a Silver Lining to Every Cloud."

The poet or priest who told us this Served mankind in the holiest way; For it lit up the earth with the stars of bliss That beacons the soul with cheerful ray.] Too often we wander despairing and blind, Breathing our useless murmurs aloud; But 'tis kinder to bid us seek and find "A silver lining in every cloud."

May we not walk in the dingle ground? When nothing but Autumn's dead leaves are seen; But search beneath them, [and peeping around Are the young Spring tufts of blue and green 'Tis a beautiful eye that ever perceives The presence of God in Mortality's crowd, 'Tis a saving creed that thinks and believes "There's a silver lining to every cloud."

Let us look closely before we condemn Bushes that bear no bloom of fruit, There may not be beauty in leaves or stem; But virtue may dwell far down at the root; And let us beware how we utterly spurn Brothers that seem all cold and proud— If their bosoms were opened, perchance we might learn "There's a silver lining to every cloud."

Let us not cast out Mercy and Truth, When Guilt is before us in chains and shame When Passion and Vice have cankered youth, And Age lives on with a branded name; Something of good may still be there, Though its voice may never be heard aloud, For, while black with the vapours of pestilent air, "There's a silver lining to every cloud."

Sad are the sorrows that often times come, Heavy and dull, and blighting and chill, Shutting the light from our heart and our home, Marring our hopes and defying our will; But let us not sink beneath the woe, 'Tis well to be sad—'tis better to be woe, For be sorer, though we may not oft see it below, "There's a silver lining to every cloud."

And when stern Death with skeleton hand, Has snatched the flower that grew in our breast, Do we not think of a fairer land, Where the lost are found, and the weary at rest? Oh! the hope of an unknown Future springs, In its purest strength o'er the coffin and shroud— The shadow is dense, but Faith's spirit voice sings "There's a silver lining to every cloud."

"Freedom of the Press." Around her waist I put my arm— It felt as soft as a cake, "Oh dear!" says she "what liberty You printer-men do take!" "Why yes, my Sal, my charming gal; I squeezed her some I guess." Can you say aught, my chick, against "The Freedom of the Press?"

I kissed her some—I did, by gum— She colored like a beet; Upon my living soul, she looked Almost too good to eat! I gave another buss, and then, Says she "I do confess, I rather sorter kinder like "The Freedom of the Press!"

Pretty Good.—An old lady living on one of the telegraph lines leading from this city observed some workmen digging a hole near the door. She inquired what it was for. "To put up a post for the telegraph," was the answer. Wild with fury and fright, she incontinently seized her bonnet and ran to her next neighbor with the news. "What do you think?" she exclaimed, breathless haste, "they're a sittin' up that cussid paragraph right again my door, and now I reckon a body can't spank a child, or scold a hand, or chat with a neighbor, but that plaguy thing'll be a blabbin' it over creation! I won't stand it. I'll move right away, where there ain't none of them onnateral fixins!"

Love and Geography.—"Bob where is the state of matrimony?" "It is one of United States. It is bounded by hugging and kissing on one side and cradles and babies on the other. Its chief products are population, broomsticks and staying out o' nights. It was discovered by Adam and Eve while trying to find a northwest passage out of Paradise. The climate is rather sultry, till you pass the tropics of house keeping, when squally weather commonly sets in, with sufficient power to keep all hands as cool as cucumbers. For the principal roads leading to this interesting state, consult the first pair of blue eyes you run against!"

Mystery magnifies danger as fog does the sun; the hand that warned Belshazzar derived its horifying influence from the want of a body.

One Thing at a Time.—Step among your neighbors, reader, and see whether those among them who have got along smoothly, and accumulated property and gained a good name, have not been men who bent themselves to one single branch of business—who brought all their powers to bear upon one point, and build on one foundation. It must be so. Go out in the spring, when the sun is yet far distant, and you can scarcely feel the influence of its beams, scattered as they are over the wide face of creation, but collect those beams to a focus, and they kindle up a flame in an instant. So the man that squanders his talents and his strength on many things, will fail to make an impression with either; but let him draw them to a point, let him strike at a single object, and it will yield before him.

Playing the Amiable.—Amorous young gentlemen should be cautious of borrowing poetry. A lover was once whispering expressions of admiration into the ear of his mistress—and borrowed a sentimental strain from Philip Sydney.—When he paused from failure of recollection—the lady said, "Pray sir, go on. The next page is much better."

"Punch" says, in reference to the alarm which recently prevailed, that the Thames would overflow its banks, that the watery old gentleman is confined to his bed, and is likely to remain so for some years. "I blush at the thought," said a darky preacher, the other day, during a narrative.—"Yes," said one of the audience, "I see that there is a great deal of color in your face."

CONSUMPTION AND SCROFULA.

PURIFY! PURIFY! Life and Health are in the Blood.

Not one of all the numerous medicines that have been prepared, begins to be of as great medical utility, as this and unerring certainty to cleanse and purify, produce healthy blood, and strengthen and invigorate the whole system.

BRANT'S INDIAN PURIFYING EXTRACT.

This Purifier is the most wonderful and astonishing remedy in the world. No other medicine has effected such a most miraculous cure of Scrofula, Fever Sores, Salt Rheum, Syphilis, and other eruptive and skin diseases, viz: Erysipelas, Sores, Ulcers, Boils, Carbuncles, and other Skin Diseases, Scald Head, Ringworm, Pimples on the Face, Rheumatism, LIVER COMPLAINT, and many other humors. THEY WILL cure my complaint! SEND ONE DOLLAR'S WORTH OF THIS PURIFIER, and cured by the use of FOUR TIMES

Less Quantity, at Less Cost than ever such diseases were before or since cured, by Sarsaparilla, or any other remedy. What then is the question for those interested to decide, as to economy and health? FIRST—Will it cure my complaint? SEND ONE DOLLAR'S WORTH OF THIS PURIFIER, and cured by the use of FOUR TIMES

ONE DOLLAR'S WORTH OF BRANT'S PURIFIER effectively cures FOUR TIMES as much disease as one dollar's worth of Sarsaparilla! If you will, then it is FOUR TIMES CHEAPER than Sarsaparilla. And to prove this we offer one case of cure, out of the many cases of

MOST HORRID SCROFULA.

To realize the great power of this medicine as a purifier read, in our Pamphlets, the perfect cure effected on Mr. J. B. Haskin, of Rome, Georgia county, N. Y. He was confined to his bed One Year—was not expected to live twenty-four hours longer—his neck was eaten nearly off, from ear to ear—a hole was eaten through the Wind-pipe—his countenance eaten out—the use of one atom destroyed—can Ulcer, as large as a man's hand, had nearly eaten through his side—was there on him, in all.

Twenty Large, Deep, Discharging Ulcers which were ALL CURED, and he restored to health and strength to labor again, by the use of ONLY TWELVE BOTTLES. This wonderful cure is certified to by

Fourteen Respectable Witnesses. And it is the greatest cure the most unobtainable substitute for one of the most sacred and most valuable cures of Scrofula, that has ever been cured since the world was created—completely establishing the great power and efficacy of this medicine.

BRANT'S INDIAN PULMONARY BALSAM

Possesses all the cleansing and purifying virtues of the most powerful and most valuable of the Purifying Extracts, and is also prepared from several other ingredients, which are peculiarly adapted to, and are essentially necessary, to cure COUGHS AND CONSUMPTIONS.

THIS BALSAM cures and cures Ulcers in the Lungs, and elsewhere internally, as certainly and easily as the Purifying Extract cures and cures Ulcers externally. The most successful and complete cures of Consumption, Coughs, and all other remedies have failed to cure.

THOUSANDS OF CONSUMPTIONS, and Chronic Coughs, abundantly prove its unfeigned efficacy, in all diseases of the BREAST, THROAT, AND LUNGS.

A DYING WOMAN SAVED! CONSUMPTION CURED!

We state this cure to prove the power to cure life, when this Balsam is used, even after the person is considered by physician and friends, to be in the last stages of disease—actually dying—and, in this case, so far gone, that the shroud and funeral dirges were being sung. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS.

This cure was effected on MRS. ZEDA GYSEMAN, of Balltown Spa, Saratoga county, N. Y. We can prove beyond a doubt, many other almost equally as hopeless, and even mortal cases of Coughs and Consumption CURED, which were pronounced incurable by skillful physicians.

BRANT'S PULMONARY BALSAM cures Consumption, Coughs, Croup, Spitting of Blood, Bleeding at the Lungs, Fever in the Breast and Consumption of the Heart, Cholera Infantum, Dysentery, and Summer Complaints, in Children and adults—and ALL.

Female Weaknesses and Complaints. No remedy offered to the public has ever been half so certain and effectual in restoring ALL the incidental weakness and irregularities of the sex, as BRANT'S PULMONARY BALSAM. It makes no difference whether the derangement be suppression, excess, or other weakness—RIGHTS ALL, by strengthening the system, equalizing the circulation, and SOOTHING and ALLAYING NERVOUS IRRITABILITY. See Pamphlets.

CHANGE OF LIFE. From the Girl to the Woman, and the Woman at middle age—the one case is accelerated, and the other so gradually suppressed, as to prevent any of the fatal diseases that frequently arise in consequence of such change.

LIVER COMPLAINT.

See the cure of Dr. Hubbard, of Stamford, Conn. and others. DYSPEPSIA—See T. S. Wilcox, of Attica, Wyoming county, N. Y., and many more.

Nervous Diseases and Derangements cured without fail. DYSENTERY and SUMMER COMPLAINT, in children and adults—and CHOLERA INFANTUM.

No mother need ever mourn the death of her child by Cholera Infantum, while teaching if BRANT'S PULMONARY BALSAM be administered. It should be for such cases, administered in larger than the ordinary dose. For Sale by Litzinger & Todd, Ebersburg, D. B. Wakfield, Johnstown, Riffe & Humphreys, Summit, Mary Orr, Hollidaysburg, M. Orady & Co., Williamsburg, E. P. Hilderbrand, Indiana, Jackson & Mendell, Blairsville, R. R. McCrea, Saltsburg.

All letters and orders must be addressed to Wallace & Co., 106 Broadway New York. 25 DOZEN BOOTS and SHOES of all kinds just received for sale at Buchanan's Store.

A LARGE quantity of IRON and NAILS, just received for sale by MURRAY & ZAAM.
