# GLORIOUS VICTORY!!

From the above official vote it will be seen that Packer's majority in Cambria is 135 over Wilmot and 1172 over both Wilmot and Hazlehurst. This majority is on a vote less by 1173 than was polled in the county at the residential Election. The majority for Gen. Packer may be regarded as a test vote, and we think that it places Cambria in the right position for years to come. We have elected our whole county ticket, which is a warning to all *bogus* Democrats, who may be disposed to try their hats at volunteering against regular nominations.

### CAMBRIA ERECT!!

#### Failure of the Firm of David Wilmot, & Co.

The Democracy of Cambria achieved a victory yesterday of which they may well be proud. They not only rolled up an old-fashioned Democratic majority for Packer and the rest of the State ticket, but in spite of all the efforts of the disorganizers they succeeded in electing the entire county ticket by handsome majorities. George N. Smith has been nobly sustained by his constituents. We ask that officious intermeddling demagogue, G. W. Bowman, to examine the official returns for Assembly in this county, confident that when he has done so, he will hang his head in shame, if he is not absolutely impervious to that emotion. The struggle is now over, and we ask who has been sustained? George W. Bowman or George N. Smith? The official returns answer the inquiry in language not easily misunderstood.

Wm. F. Packer our candidate for Governor, is elected by about 30,000 of a majority over Wilmot the wooly head candidate. The rest of the State ticket is also elected. We have also secured both branches of the Legislature by large majorities. The Democracy of Blair county have elected Dr. Christy their candidate for Assembly by about 200 of a majority. This is a victory of which our neighbors may well be proud. The vote in the State was small and will probably fall 50,000 short of that cast at the presidential contest last fall.

### CANDIDATES FOR OFFICE—PRINTING TICKETS.

The Bradford Reporter of last week publishes a scale of prices, which the editor says he charges candidates for office, for printing their tickets, viz:

Congress	\$25
State Senator	\$25
Representatives, each	\$15
Sheriff	\$15
Prothonotary	\$15
Treasurer	\$15
President Judge	\$30
Associate Judge, each	\$10

Clerk of Courts	\$10
Co. Commissioner	\$10
Prosecuting Attorney	\$5

The editor of the Reporter publishes this list of charges "in order to prevent all misapprehension, mistake, or dispute," for it is a fact that some candidates whether successful or not, dislike paying a
