

**Yucatan.**  
A correspondent of the New Orleans Delta, writing from Merida, Yucatan, under date of March 12, says:  
"I avail myself of an opportunity which now offers via Vera Cruz, to send you a brief account of the state of affairs on this peninsula. You, and your readers who are posted in Mexican matters, are aware that the war already so long waged between the whites and ruthless barbarians, still continues. The line of operations is now established some thirty leagues from this place. Fourteen thousand Yucateco soldiers are guarding the cordon, whilst some twenty thousand Indians, well armed and equipped, are on the opposite side, ready to fight for the 'tombs of their fathers and their household gods.' Gen. Michelero informed me to-day, that he could see but little prospect for a termination to this sublevarion, so long as the English continued to furnish the hostile Indians with the munitions of war. It is a fact beyond dispute, that English muskets and powder are freely supplied at Belize, in return for the spoils of churches and whatever other plunder the barbarians may offer."

**LOTTERIES IN KENTUCKY.**—Governor Helm, of Kentucky, has vetoed the bill passed by the Legislature, conferring upon the corporate authorities of Bascon College the privilege of raising fifty thousand dollars by a lottery scheme. In his message, the Governor acknowledges that previously as a member of the Legislature he had voted for a lottery bill, and as Governor had approved one. He is now however convinced that the system is contrary to morality and the public good, and he is not only in favor of withholding such grants for the future, but even of repealing those now in existence.

**Another Stabbing Case.**—Another stabbing case occurred at the Basin, in this place, on Monday afternoon last. Some four or five boatmen, a part of whom were intoxicated, went into the Beer house of Messrs. Raucht & Raidt, and a row occurred, in which one of the boatmen, named Westbrook, from Huntingdon, received a stab in the lower part of the breast and another in the abdomen, which at the time were thought to be mortal; another of the party named Spielman, received a terrible gash on the back of the hand, another was slightly cut on the wrist, and another had his ear marked—all said to be done with a huge straight sword in the hands of Mrs. Raucht. Dr. Rodrigue was immediately called, and the wounds of Mr. Westbrook, which proved to be not so serious as was apprehended, were dressed. Mr. Raidt and wife were bound over in the sum of \$1000 to appear at the next Court.

**From Pittsburg.**  
PITTSBURG, April 11.—Joe Barker, the Ex-Mayor, was convicted yesterday, of riot and misdemeanor, while in office, and was sentenced to five months imprisonment, besides paying a fine of \$300. Before the Judge sentenced him, Mr. Barker harangued a large crowd from the Court House steps, abusing the judges and lawyers without stint. His friends now promise to make him sheriff.

**AN HONORABLE FELLOW.**—Miss Harriet W., daughter of the late Prof. Webster, was married at Cambridge, Mass., on the 2d inst., to Mr. S. W. Dabney, of Fayal, the brother of her eldest sister's husband. When her father was convicted of the murder of Dr. Parkman, this young lady, who had for some time been betrothed to Mr. D., absolved him from his engagement, which, however, with a manliness which did him honor, he would not accept. They, with Mrs. Webster, are about making a visit to Fayal.

**SENATOR HOUSTON IN BATON ROUGE.**—We learn from the Baton Rouge Advocate that Gen. Houston was in that place on the 24th ult., and delivered a temperance lecture, at the request of the "Sons." The Advocate says it understands from good authority that the General is about to retire permanently to the shades of private life.

**The Postmaster General has decided** that under the new postage law, which takes effect on the first of July, weekly papers only are entitled to circulate free of postage in the county where published, and that the office of publication is the starting place, and not county lines.

**Charles magne reigned over France** from A. D. 768 to 814. He was the greatest Sovereign of the age, a warrior, statesman, and a patron of learning and the fine arts. He caught a severe cold while bathing in the public baths and this caused his death, but had he lived at the present day and used Dr. Gussott's Improved Extract of Yellow Dock and Sarsaparilla, which is a certain remedy for colds, he would have been cured. John Ivory & Son, Summit, are the agents for the sale of this valuable medicine in our county, and in a short time they will publish certificates from several persons who have been restored to health by using it. See advertisement in another column. Price \$1 per bottle.

**DR. GUYSSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA,** put up in the largest sized bottles, contains more of the pure Honduras Sarsaparilla than any other preparation extant which is chemically combined with the Extract of Yellow Dock, the Extract of Wild Cherry, and the Balsam of Fir, thus making the remedy more thoroughly efficient than any other Sarsaparilla before the public. At the same time it is perfectly free from all mineral poisons, which cannot be said of any other of the Sarsaparilla compounds. The invalid should beware of poisons! Mercury, Iron, Quinine, Potash, Iodine, Sulphur, Arsenic, and many other mineral metallic poisons enter into and form the active basis of most of the Sarsaparillas and Panaceas of the day. Gussott's Compound Extract of Yellow Dock and Sarsaparilla does not contain a particle of these substances; as any one can ascertain by applying the necessary tests.

These poisons may occasionally remove diseases, but they so vitiate the blood and completely impregnate the whole system with their baneful effects, that the first cold, or the first attack of disease, prostrates the patient's strength, and subjects him or her to the most excruciating torture, and renders another cure almost impossible and hopeless. Let all poisonous Sarsaparilla preparations alone, and use Gussott's Improved Extract of Yellow Dock and Sarsaparilla, which is thoroughly efficacious, perfectly harmless and purely vegetable. All kinds of diseases yield to its genial influence.

Price \$1, per bottle or six bottles for \$5.—To persons purchasing by the dozen a liberal reduction will be made.
