The River and Harbor Bill.

The New York Day-Book thus "hits off" some of the features of the log rolling bill for the improvement of the Rivers and Harbors, which broke down with its own weight and the incongruous nature of its materials, during the last days of the last Congress :—

River and Harbor Bill.—The bill making appropriations to drain John Smith's swamp, fence in Joe Snooks' garden, ditch in Peter Ferguson's farm, build a new dam for Widow Scroggin's saw mill, turn the current of Leap Frog creek so as to save Lyman Henderson's hog-yard, put down new pump logs for John Anderson, and build a wind mill for Tom Snyder, was defeated in the Senate by the shrewd tactics of the minority. We hope now that Smith, Snooks, Ferguson, and other lazy rascals and speculators, will go to work and do themselves what might have been done in half the time, and with half the money, which has been spent in trying to persuade Congress to do it for them.

The Contested Eleventh District.—Danville, April 21.—Considerable excitement prevails here among the Whigs and Democrats, owing to a contest between Hendrick B. Wright, (Dem.) and Henry M. Fuller, (Whig) for the seat in the next Congress from this District which is composed of Luzerne, Montour, Columbia, and Wyoming counties. The Court was organized at 10 o'clock by Judge Jayne, of Wyoming county, presiding. Messrs. Wright and Fuller are both present. Hon. Joseph Casey, of Wyoming county, appeared as counsel for Mr. Fuller, and Hon. John Brisbin, for Mr. Wright. The trial will occupy the attention of the Court the entire week.

THE WASHINGTON UNION.—The veteran Ritchie has retired from the editorial chair of the "Washington Union," and A. J. Donaldson, and Gen. Robert Armstrong have assumed the control. Mr. Ritchie has been for years engaged in fighting the battles of the Democracy, and carries with him into the retirement of private life the sincere respect and esteem of all who knew him. The debut of the new conductors, is at a most critical period in the history of the country, and from their well known patriotism and intelligence much will be expected of them, in allaying the storm of misguided fanaticism that has threatened to sever the kindly relations which has heretofore existed between the different sections of the Union. We want able and fearless men at the head of the Democratic press of the country at this juncture; men who are not to be flattered or bullied, but who will stand up for the Constitution and the laws, no matter at what personal sacrifice. We hail the new proprietors of the "Union" as such, and so bid them God speed on their way.—*Evening (Philad.) Argus.*

ANTI-SLAVERY AGITATION.—Robert B. Rhett, of South Carolina, whose son has been a member of the Senior Class at Harvard University, has removed his son from College, on account of the anti-slavery agitation in Massachusetts. A Boston paper says the "College Faculty" has voted as a special favor that a degree shall be granted to the young man.

☞ Charlemagne reigned over France from A. D. 768 to 814. He was the greatest Sovereign of the age, a warrior, statesman, and a patron of learning and the fine arts. He caught a severe cold while bathing in the public baths and this caused his death, but had he lived at the present day and used Dr. Guysott's Improved Extract of Yellow Dock and Sarsaparilla, which is a certain remedy for colds, he would have been cured. John Ivory & Son, Summit., are the agents for the sale of this valuable medicine in our county, and in a short time they will publish certificates from several persons who have been restored to health by using it. See advertisement in another column. Price $1 per bottle.

PLANK ROAD.

SECTION 1 *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met and it is hereby enacted by the authority of the same* That James Murray, Gilbert L. Lloyd, William Palmer, John Brawley, Charles Lohringer, Rees John Lloyd, William Kittell, Jas. Myers, George Settlemyer, Daniel T. Jones, Anthony Long, Arthur Hall, James Burk, W. H. Gardiner, Robert Little, William M'Guire, be and they are hereby appointed Commissioners to open books, receive subscriptions, and organize a company by the name, style and title of the "Jefferson and Ebensburg Plank Road Company," with power to construct a plank road from Jefferson to Ebensburg, in the county of Cambria, by the nearest and best route or routes, as the stockholders or directors may determine upon, subject to all the provisions and restrictions of an act regulating turnpike and plank road companies, passed the twenty sixth day of January, one thousand eight hundred and forty-nine, and the several supplements thereto.

SECTION 2. That the capital stock of said company shall consist of one thousand two hundred shares, at twenty dollars per share, *Provided*, That said company may from time to time, by a vote of the stockholders, at a meeting called for that purpose, increase their capital stock so much as in their opinion may be necessary to complete the road and to carry out the true intent and meaning of this act.

SECTION 3. That if the said company shall not commence the construction of their road within three years after the passage of this act, and complete the same within seven years thereafter, this act shall be null and void, except so far as the same may be necessary to wind up the affairs and pay the debts of the company.

The Commissioners named in the above bill, are requested to meet at the Exchange Hotel, in the borough of Ebensburg, on Monday the 19th day of May next, to make the necessary arrangements for opening books, receiving subscriptions, &c.

DR. GUYSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA, put up in the largest sized bottles, contains more of the *pure Honduras Sarsaparilla* than *any other preparation* extant which is *chemically combined* with the Extract of Yellow Dock, the Extract of Wild Cherry, and the Balsam of Fir, thus making the *remedy more thoroughly effectual* than any other *Sarsaparilla* before the public. At the same time it is *perfectly free from all mineral poisons*, which cannot be said of any other of the Sarsaparilla compounds. The invalid should *beware of poisons!* Mercury, Iron, Quinine, Potash, Iodine, Sulphur, Arsenic, and many other mineral and metallic poisons enter into and form the active basis of most of the Sarsaparillas and Panaceas of the day. *Guysott's Compound Extract of Yellow Dock and Sarsaparilla does* not contain a particle of these substances; as any one can ascertain by applying the necessary tests.

These poisons may occasionally remove diseases, but they so vitiate the blood and completely impregnate the whole system with their baneful effects, that the first cold, or the first attack of disease, prostrates the patient's strength, and subjects him or her to the most excruciating torture, and renders another cure almost impossible and hopeless. Let all poisonous Sarsaparilla preparations alone, and use *Guysott's* Improved Extract of Yellow Dock and Sarsaparilla, which is *thoroughly efficacious, perfectly harmless and purely vegetable.* All kinds of diseases yield to its genial influence.

Price $1, per bottle or six bottles for $5. To persons purchasing by the dozen a liberal reduction will be made.

SPECULATORS WAKE UP!!

THE following described valuable Timber Lands are offered for sale. Three tracts of unimproved land situate on the waters of the South Fork of the Conemaugh, part in Richland township, Cambria county, and part in Somerset county; the lower tract not more than two miles from the saw mill of John Trotter, from which place is a good wagon road to the Portage Rail Road. Said land is well covered with wild cherry, poplar, hemlock maple, ash and other valuable timber, with the advantage of abundant water power on each tract. The road from Johnstown to Bedford passes through two of these tracts, and on said lands are promising indications of the existence of bituminous coal and iron ore.

Also, one tract of land on the waters of Black-Lick Creek, Jackson township, Cambria county, covered with valuable timber, with the advantage of excellent water power, which also contains a vein of coal four feet thick that has been opened and can be worked with profit. Distant from Ebensburg about five miles.—Terms easy, and title unquestionable. For further particulars enquire of
